T. W. Oliver B. A. M. A.

(1881 - 1949)

"Green grows the turf above thee  
Friend of my better days,  
None knew thee but to love thee,  
None spoke thee but in praise."

Halleck.

We, the Panther Staff wish to dedicate  
our year book to the loving memory of our  
late Superintendent and friend, T. W.  
Oliver. For him, no task was too great,  
no child too small.

## PROFESSOR OLIVER

Professor Oliver came here  
With purpose good and sound,  
Resolved to banish ignorance  
Wherever it was found.

He drove a car or rode a mule  
And searched the hillsides o'er  
To bring the youngsters to his school,  
Where they could learn much more.

He built the plant as need arose;  
Then hunted far and wide  
For faithful teachers he could trust  
To labor by his side.

Ideals meant so much to him  
When progress was in sight,  
He rested neither night nor day  
Till everything was right.

He raised our school from commonplace  
To rival of the best.  
With noble men like him in charge  
Communities are blessed.

The crowning feature of his life  
Was how he loved our God.  
He taught our youth to follow in  
The path that Jesus trod.

'Tis fitting that the last brick wall  
That he erected here,  
Should bear the name of "Oliver",  
Which we all hold so dear.

-Ira T. Caudill

## *Our Principal*

Mr. Oliver brought Mr. Long here to continue the "sale of education" and "fight against ignorance" and Mr. Long has tried to follow his predecessor with all his might. Our new principal set up several goals and has accomplished most of them already. His greatest hope is for a better Pikeville High School with special emphasis on Scholarship and Character Building.

## Football

BY ROBERT BUTCHER

At the beginning of the 49 season this was the setup. Our team was fairly strong on both offense and defence. We had a very fast running attack in our small but fast backs led by Charlie Huffman with our strong line to open the holes. Our passing was fair since we had two boys who could pass from different positions and three eligible receivers. Also we had a surprise attack in a quick kick from regular formation and a punt or run from short punt with either Charlie Huffman or Captain Bob Butcher back. Our defence was equally strong or stronger in the line and backerups.

After a very good spring and summer practice the Panthers were ready for the football season.

The first game was with Belfry on September 9, Belfry was ahead at the half 7-0, but Paul Prater made a sensational pass play in the second half to tie the game 7-7.

On September 16, we played Wayland, we had already played this team twice in spring games, winning the first and tying the second, but with one of our key players, Bill Wheller, out they beat us 7-6.

The next game on September 23, we played the tough Whitesburg team. They beat us 27-6, but we were the first team to score on them. At the end of the season they were conference champs.

The next weekend we journeyed over to Hazard and were simply out classed 54-12.

October 7 was a happy day for us, we won our first game. We beat Matewan 19-0.

On the rainy day of September 14, we beat Prestonsburg 25-0.

The next week we went over to Fleming and after leading at the half 13-6 we got beat 26-13.

On October 29, we journeyed to Paintsville, and with 10 seconds to go and the score tied 0-0, all conference back, Charlie Huffman, made a sensational run of 40 yards to win the game 7-0.

We were all keyed up for the next game with K. M. I, because they had beaten us 54-0 last year. The final score 21-7 favor P. H. S.

On November 11, was the last game of the season and one you'll never forget. It was with Lynch, the strong team of the Cumberland Valley Conference. Charlie Huffman went crazy in this game and scored five touchdowns. We won 34-33.

So the season ended with the record of 5 wins 4 loses and 1 tie.
