*Panther  
Sports  
'54*

## *Athletic Director*

For the last few years Mr. G. Phillips has been the Pikeville High School Athletic Director. You'll always see him at the sports events doing everything he can to make the visiting team and coach feel at home. He is well liked and a real friend of Pikeville High School. His friends call him "Hooker" and he loves to fish and has a good sense of humor.

## *Head Coaches*

The football coach, Clayton Powers, forgets the gridiron and tells John Bill Trivitte, the basketball coach, a wild fish story. John Bill is also a sportsman and could put up a pretty good fish story himself. Clayton is noted for his "jig fishing" and John Bill picked up golf last summer and from what we hear he is pretty good.

Bill Jack Lee

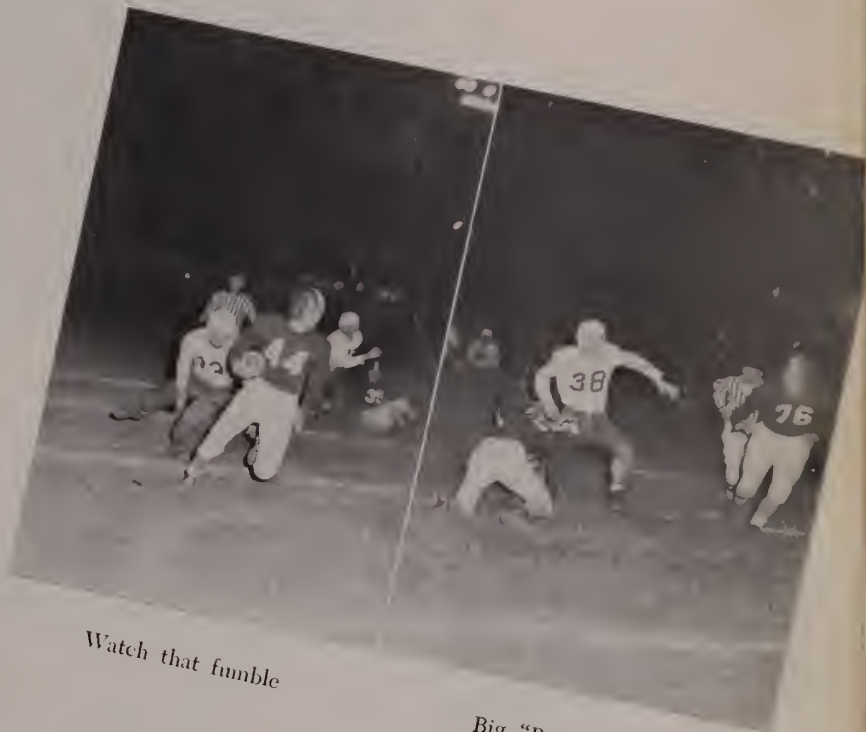

*James Coleman carries the ball.*

## PANTHERS BEAT BELFRY 20-13

The Panthers finished one of their best seasons in history. This was the first time we had beaten Belfry in the last 7 years. The first score came in the first quarter when quarterback John Lee threw a 50 yard pass to Everitt Justice for a TD. The second score came in the third period when Ralph Gilliam galloped 70 yards for the TD. Gord on Mathews, Kelly Stevens, and Robert Branham did an excellent job of blocking on the 70 yard run. The third score came when John Lee threw a 20 yard pass to Ralph and the extra point was made by "Flash" Bill Jack Lee made three clean tackles and John Lee made a fine tackle on a long run after missing on the first attempt. He stopped the ball carrier just short of the 6 yard line. The boys on the line played good heads-up ball. The team and coach are to be congratulated on their successful sea. on.

## PANTHERS BEAT HURLEY

The boys handed Hurley, Va their first defeat of the season. The Hurley boys hadn't lost a game in the last 18 played. The final score was 40-20. The Va. team has been

## *Subscribers*

This is your high school year book and the staff has worked hard to bring the student body an annual that will tell you a story of the past events during the school year. In most cases we tried to photograph a story of the activity involved. It was impossible to record all of the school events, especially the spring activities, which took place after this book was on the press.

Several persons and groups have taken part in organization and preparation of this publication, the staff extends their appreciation. We want to thank the following photographers for pictures appearing in this annual. Mr. Ramsey, Mr. Paul Mays, The Williamson and Pikeville Daily News. Individual and group pictures were taken by W. W. Thompson, the photographer was Mr. F. Wellman of Huntington, W. Va.

We regret that a few student pictures do not appear in this edition. There is no picture of Mr. Craft who came to us from Fleming, Kentucky and taught English the second semester.

The advertisers were a great factor in making this book possible. We would like for our subscribers to patronize these business men and merchants who have ads in this book, whenever possible.

THE EDITOR

*Our  
Thanks*

**Shopper:**

Don't forget shoppers, that when it comes to shopping, all roads lead to the Pikeville shopping district. Let your friendly merchant or business man help you fill your many needs. Make your next purchase in the shopping area of Pikeville.
