Marilyn,

I've known you for quite a while now and have always been crazy about you. You're the type of girl that will always get what you want out of life. I hope that we will always be friends. No matter where you go in your later years, I know that I'll remember you, and I hope that you will think of me.

Marilyn,

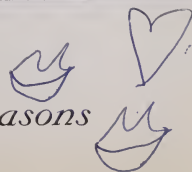

You're a real cute and

### Bobby Venters Foreword

The sound of happy voices, the spirit of good sports, the molding of ideals and aspirations—all blend into our high school experiences.

With the sincere hope of bringing a worthy souvenir of significant days at the Pikeville High School to its many loyal students, the Staff has devoted many hours of work.

We feel that your satisfaction with this volume is our compensation, and with this thought the Staff presents to you the 1960 PANTHER.

## *Dedication*

She has understood our problems, assisted us with patience of steel, listened to our complaints with an admirable smile, inspired us with confidence, encouraged us when we were disheartened, and enhanced our chance for success.

Her determined effort to make us satisfied and happy shall always be remembered as one of our most precious high school memories. Words can't express our appreciation for their various contributions; but to show how much we love, honor, and respect them, the Annual Staff dedicates the 1960 Panther to Mrs. Blanche F. Flanary.

## *Superintendent*

You must become aware of the ocean of culture in which you exist. Refinement should be sought in your daily efforts. Through educational attainment, it is hoped that your life will become more meaningful. Your contributions toward making this a better world will be enhanced. Cultural advancement will be reflected in your every manner, your intellectual powers, physical well being, spiritual growth, and the development of aesthetic values. Hold onto your faith in the face of adversities of life. Through each trial you will emerge a little wiser, with greater determination, and more eminent character traits will become firmly entrenched in your soul.

*Harry A. Banks*

## Principals

Youth—America's greatest resource! The future strength of the United States, Kentucky, and Pikeville is directly dependent upon the guidance and training afforded the boys and girls of today. Be so glad that you are an American, that you, old and young, will abhor sham, deceit, and half-hearted endeavors! Give every task and responsibility your very best.

*Charles E. Spears*

HOPE of the future is the spark that lights our pathway, directs our footsteps, and guides our thinking in our preparation for the days to come. So fan that spark into a flame that will best prepare us for this LIFE and LIFE HEREAFTER.

## *Freedom Isn't "Free"*

Our graduates have an opportunity to enjoy a life of freedom, plenty and individual choice — privileges earned by our forefathers.

However, we have a responsibility to perpetuate these privileges. They are not given us "for free". We must earn them ourselves. Individual devotion to The American Way is as important today as it was in 1776.

Today's graduates must shoulder this responsibility, or there will be no freedoms to bequeath tomorrow's students.

As Goethe, the poet, said, "What you have inherited from your fathers, earn over again for yourselves or it will not be yours."

Marilyn, the  
One of the sweetest  
cutest & sweetest  
gals I've ever  
met, may have what  
always want out of  
your life. "Have ya,  
Mary Jo."

To Marilyn,

To Marilyn -  
My little sister -  
I can truly say that I  
love you dearly. I'll always  
remember the fun we've had  
without your understanding and  
companionship. I would never have  
made it. I really am grateful. But  
I could start so many sentences  
I could start with "I love you", but it isn't possible  
to write a book on the fun we've had. You and  
Marilyn I write "The Muskatawa", and we have  
been in a way.

I hope that all your dreams come true. We  
have talked so much about our ambitions. Some day, I know  
you will be Marilyn I write Walters. I can just feel it. And when  
that day comes, I'll be just as happy for you as you are yours. I will never forget you - I  
and I can't express in words what I want to say. I will never forget you - I  
really mean it.

Please be patient, and wait. (just as I'm doing). If we  
help each other, it won't seem so long. The best, too.  
you deserve if more than anyone. I love you,

The now, then,  
hopeless world isn't it!  
it's something, it's something  
more than that, it's something  
you love, it's something  
it's always a special someone  
but sometimes it won't be  
that someone, it won't be that  
we would give them in a way  
I guess I'm sure he loved me  
you'll find that kind of love  
I'm sure but not from the boy  
what you want I hope you  
get it, I will share a lot of  
secrets and we will see if  
both of us that is certain  
understands.  
God bless you & C.,
