THE PANTHER

1962

Pikeville High School
Pikeville, Kentucky

Foreword

Our high school days have been filled with many experiences which we shall never forget. Some we remember better than others — that important game we wanted so much to win, our first school dance, the class parties, trip, and picnics, the thrill of being a senior, and finally the wonderful feeling of accomplishment when that coveted diploma is placed in our hands.

In the 1962 PANTHER we have tried to preserve for you these wonderful memories. We hope that this annual will become one of your most prized possessions. While turning these pages in later years, if you should recall the many smiles, sorrows, and dreams of '62, we shall be rewarded. With this in mind, we proudly present to you the 1962 PANTHER.

P.T.A.

Mildred Elswick, Secretary; Lois Ray, President; Alice Yarus, Treasurer; Virginia Mulliken, Vice-President; Lucille Smith, Guest Speaker; Robert Blevis, Guest Speaker; Rev. V. C. Stump, and C. V. Snapp, Superintendent of Schools.

The Parent-Teacher Association of the Pikeville City Schools is dedicated to the welfare of our youth and to a more effective relationship among parents, teachers, and students. Its aims are accomplished through the active and wholehearted participation of teachers and parents.

The Association meets once a month to discuss questions of current interest and to plan its activities. This year the P.T.A. rendered many services for our school. Foremost among them is checking the eyes of all pupils grades 1-12. The services of the P.T.A. are financed through the proceeds derived from their annual Halloween Carnival.

To help children live happily with others, to help them learn the joy of sharing with others, to help them gain an appreciation for the beautiful in nature and the arts, to help them understand the American way of life, to help them form good habits for work and play, to help them acquire desirable habits of character, and to provide conditions in which they may learn as best they can the subjects they study—these are the principles to which I must always remain dedicated.

Secretarial Staff

WILLA NADINE PRESTON, Secretary to High School Principal

These secretaries of our school fill an important function in the efficient operation of our school offices. Upon their shoulders fall the tasks of keeping record cards up-to-date, publishing daily bulletin notices, answering student questions, greeting guests, answering the many phone calls, and keeping everyone posted on the routine of the school. Often it means giving of extra time.

Board of Education

WALTER WELLS, Chairman

WILLIAM J. BAIRD

ERNEST ROGERS

MAY SHURTLEFF

JOE AMICK

As we reflect upon the progress made by our students through study and activities, we recall that progress is only possible because of the interest in and service to education that the citizens of our community and our Board of Education give.

To these men and women of the Board who serve so faithfully in our interests, we give our thanks. Because of their efforts, we now look forward to a new building program which will provide the needed classroom space for the first six grades.

For the past year, the task of putting words and pictures together to form the 1962 PANTHER has been performed by the people pictured above—the yearbook staff. Under the direction of its sponsor, Mrs. Betty Weddle, journalism and teamwork among staff members have been promoted. The editorial staff and the sponsor were provided with an opportunity to learn more about yearbook publication at a yearbook clinic held at Morehead in October. Although much time and effort have been spent in preparing THE PANTHER, all agree that the finished product is well worth the energy necessary to make it possible.

The National Honor Society gives recognition to outstanding students on the basis of Scholarship, Leadership, Service, and Character and encourages the exploration and development of these qualities. Membership in the society is the highest honor attainable by high school students. To become a member, a student must make a B-average after at least one semester of attendance and must be voted on by a faculty committee. The Pikeville chapter, sponsored by Mr. C. P. Mims and Mr. Charles Spears, was formed in 1960. The following are the objectives of the National Honor Society:

1. An enthusiasm for good scholarship throughout the school.
2. An encouragement of a desire for students to render service to the school and the community.
3. A plan for self-evaluation of the student of the potential elements of leadership qualities within himself.
4. A stimulus to the student to observe and practice those acts of others that develop strength of character.
5. An encouragement to the student to continue his learning and his education.

The Co-Ed-Y Club is an organization sponsored by the Kentucky Y.M.C.A. Its purpose is to create, maintain, and extend throughout the home, the school, and the community high standards of Christian character. The emblem symbolizing this organization is the triangle. Its sides represent a three-sided nature: body, mind, and spirit. The colors included within the emblem are red, white, and blue, which are symbolic of sacrifice, purity, and loyalty.

This year the Co-Ed-Y has participated in several activities. Twelve members, along with members of other towns, attended the Kentucky United Nations Assembly representing District 11 in Louisville during November. The Pikeville Co-Ed-Y was district host for the pre-assembly meeting to prepare for the Kentucky Youth Assembly held in Frankfort in March. Our club sent six representatives to the state assembly. Two representatives, Connie White and Rosemary Owens, had outstanding roles. Connie was campaign manager, Senator, and President of the Senate Committee; Rosemary was Judge of the Court of Appeals and Secretary of the Senate Committee. Our club received an A rating.

Included in the activities of the Co-Ed-Y was a clothes drive for the benefit of families in and around Pikeville.

Sponsors of the club are Mrs. Mary Farley and Mr. John Lee Butcher.

This year, our school paper, the PANTHER, was given a change of format. The staff, under the guidance of Mrs. Clemma Hammond and Mrs. Florence Zoellers, decided not only to write the paper but to print it themselves.

The purpose of the PANTHER is to record the items of interest that occur on the campus and to provide interested and able students an opportunity to develop journalistic skills.

Presenting a program in chapel was its first step toward participating in the annual Speech Festival in March, to which eight people from the club were sent for ratings. This club is also responsible for a debate team which has attended various debates in our area. This year it had as the subject of debate, "Resolved: that the Federal Government should equalize educational opportunity by means of grants to the states for public elementary and secondary education."

Key Club

The Key Club is composed of outstanding boys who are "key" leaders of the school. These boys must be at least sophomores and maintain a C-average in order to belong. The Key Club, a unit of Key Club International, is sponsored by the Pikeville Kiwanis Club. It is unique in the fact that it is the only club sponsored by an organization completely independent of the school.

It functions in much the same way as the Kiwanis Club. Its main purpose is to work closely with the school principal to serve both the school and the community.

The Pikeville High School Key Club has had one of the most active years in its history. It has a long list of services and money-making projects.

One of the highlights of this year was the Kentucky-Tennessee District Convention held in Louisville in April. Seventeen of the nineteen members attended this convention.
