*The 1974 Panther
Dedicated To The Memory Of*

LARRY GENE SULLIVAN
1957-1974

"To Know Him Was to Love Him"

Larry, son of Mr. and Mrs. Perry Sullivan, won his first boxing tournament at the age of 14. Since that time Larry improved considerably, winning the Delbarton and Pikeville tournaments. Larry was a Golden Glove Champion in all senses of the term, winning numerous honors. Larry was also considered one of the finest football players in the area. Pikeville High School has lost a fine athlete.

In 1974 Pikeville High School was filled with people who were constantly movin' on. Whether they were working on lab experiments, cramming for tests, showing spirit at pep rallies, or displaying talent in speech festivals, the students were always involved. Dances hold special memories for each student. For some this was their first high school dance — for others, their last. Tears of joy were shed when our basketball team captured the Regional Title — the first time in fifteen years! These joyful tears soon faded to tears of defeat when the Panthers suffered their final loss of the year at the State Tournament. But time moved on and so did the students. The end of the year and graduation were upon us. And before we knew it we had moved on. Another busy year had come to a close.

We, the members of the Annual Staff, have tried to capture the student body in action. We hope this annual portrays Pikeville High School and its students who were constantly —

Tom Thumb Wedding

Bride and Groom
Mary Donna Walters and Joey Branham

This year the Tom Thumb Wedding was again a great success. Those who have never been to the Tom Thumb Wedding have really missed it. The 1st and 2nd grade children are all either members of the wedding party or are dressed as movie stars, political figures, favorite T.V. personalities, sports figures, school board members, some faculty and administrative personnel, and school athletes and cheerleaders. The children all did a fine job and the decorations were beautiful!

Dana, Mesta, Patty, Teresa, Karen, Jeanne, Pat, and Melissa

The 1st and 2nd grade girls are dressed as their varsity cheerleader counterparts.

The Annual Staff has worked very hard this year to put the 1974 annual together. They had a picture sale of all the pictures that have been in the annuals in the past. This was a very successful project; they earned quite a lot of money. They have also met nights and for two weeks in the first of the summer to finish this annual. They also had a skit for the selling of the annuals which everyone enjoyed. These girls and boys have worked very hard in putting this annual together for the last and lingering memories of 1974.
