# You Gotta Have Friends

"What is a friend, but a single soul dwelling in two separate bodies."

— Aristotle

Friends are an important part of school life. Although members of cliques vary from year to year, everyone keeps at least one best friend through the good times and the bad. Our friends are the people we depend on and who depend upon us. Whether it is someone to hang out with on the weekends or just a ride home from school, our friends are major components of our daily lives.

*(Clockwise) Friends usually help get each other out of messes, but to Renee Pigg, Elizabeth Smith, and Heather May, getting into messes seems more fun.*

*Srikanth Malempati, Hank Newsome, and Keith Isom clown around while working at the concession stand at an academic meet.*

*Slumber parties provide an excellent opportunity to have fun with friends. Awake hours past their bedtime, Natalie May, Jessica Collier, and Julie Leedanachoke giggle about that cute boy from school while they play with their Barbie dolls.*

*Seniors at PHS are given the privilege of eating outside when weather permits. Tanya Rogers, Jo Layne, Shannon Deskins, and Susan Staten discuss their college plans over Prime Time pizza and Kool-aid.*

*Through sports at PHS, close friendships are made and strengthened. Teammates, Murray Garvin and JJ Bailey anxiously discuss the upcoming State playoffs.*

## My Little Corner Of The World

The students at Pikeville High School are an unusual combination of individuals with a desire to excel. No matter what one is doing, it is done with the "pride of a Panther." This pride is carried over into everything Panthers do that makes all events unique.

Finding out what one does best is an important part of learning who one is and wants to become. Many students at PHS are involved in things other than the usual school sponsored activities.

*(Clockwise) Several days a week, Cara Cinnamond can be found at the Pikeville College dance studio practicing or preparing for a performance. Cara has been studying dance since she was four years old.*

*Through karate, Brian Coleman has achieved both discipline and a means of self defense. Although Brian is only in the third grade, he has been practicing this ancient art form for three years and already has a yellow belt.*

*Tennis, like any other sport, requires dedication and much skill. Brooke Compton, Pike High's answer to Jennifer Capriotti, plays tennis frequently and excels at the sport.*

*Amanda Howell, Elizabeth Ramsey, and Laura Pinson aerobicize their way to healthier bodies, at the Exercise Co*

*Hays Justice has been skateboarding since he was eleven years old. For Hays, skating is not just a hobby, but a way of life.*

# The Ones To Watch

Each fresh school year brings a variety of new fads and fashion trends. Many influences in and out of school decide the new fangled things one says and does and, especially, the clothes one wears. Some of these trends come and go with each season but many last. By watching others, a teen chooses which styles reflect the image he wants to convey. Trendy students and public figures such as Michael Jordan, Cindy Crawford, and Hammer help to shape our ideas about what is "in".

*(Clockwise) JJ Bailey dares to be different. All new fads have to start somewhere, and JJ definitely knows how to set trends and still be his own "goofy" self.*

*From black tennis shoes and blue jeans, to football jerseys and letterman jackets, this group of PHS students sport fashions that are tried and true. Two thumbs up for Mike Coleman, Josh Barone, Cade Cinnamon, Brooke Collier, Sabrina Thacker, and Murray Garvin.*

*Being organized is essential to every good student. Tammy Newsome and Alicia Bartley confirm that one can be very organized and, at the same time, stylish, by carrying back packs.*

*The '91-'92 school year saw a rebirth of stirrup pants, big shirts, blazers, and short skirts. Sarah Baird, Cara Cinnamon, Elizabeth Ramsey, and Tammy Newsome strike a pose wearing the year's most trendy looks.*

*Although health consciousness came into vogue in recent years, students at PHS have found that this is one trend that will survive the test of time. Erin McAnallen enjoys her Evian water and focuses on a healthy lifestyle.*

# A Land Of Confusion

From the first day of Kindergarten, a fledgling finds life in school to be quite confusing. It may be difficult to find a certain classroom, lockers might be jammed, or some may have forgotten to study for a big test. By the last years of high school, it would seem as though students would have everything figured out, but, as we all know, few really do.

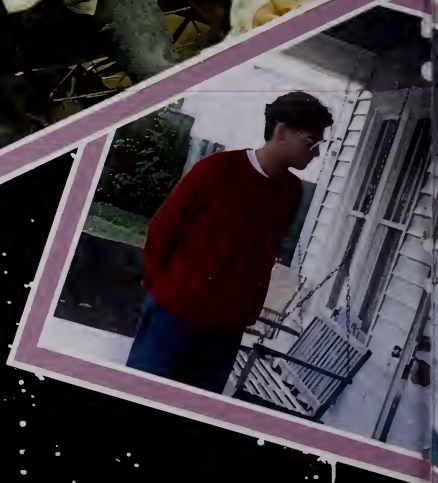

*(Clockwise)* Stephen Huffman and Aaron Johnson slyly rely on one another to get through a confusing English test. "No wonder it was confusing", cries Aaron afterwards. "We had different tests!"

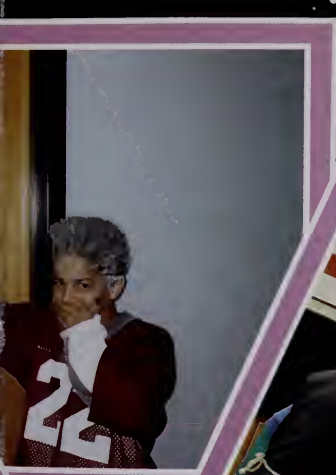

Should he or shouldn't he? Jeremiah Akers seems puzzled about which bathroom is for the boys.

Sharhonda Simmons and Brooke Compton work on a formula that will make them rich quick instead of finishing their chemistry homework. "C'mon, Mrs. Kim, don't we get an 'A' for effort?"

Mr. Ray shows Will Ramsey the right technique for opening a locker . . . for the 20th time!

Susan Staten pretends to have everything under control, but by the look on faces of Robert Bailey and Andrew Scott, she's discovered. Susan should have checked her calendar before saying "yes" to both of them for a Saturday afternoon date.

# Working World

Many students at FHS sacrifice their time after school to gain experience in the working world and more importantly to earn a little extra cash. Having a job means taking on the responsibility beyond that of an average high school student. Students with jobs must arrange their schedule to include time for work, school, friends, and family. These students are ambitious, self-motivated, and, above all, hard at work.

*Clockwise: Josephine Layne courteously smiles at the customers at Wendy's as she pours a fresh cup of coffee. With a smile like hers, who wouldn't come back for refills?*

*Tanya Rogers enjoys working at Dawn's hair's in her spare time. As a sales clerk, usually in the mens department, she enjoys meeting new people.*

*Bruce Howell works hard, each day at Food City for extra spending money. Although he enjoys being stationed outside those runaway carts are sometimes a pain.*

*By the look on the face of James Collins, he thinks it may be time for a break. "I see one more plastic bag, I'll go insane."*

*As a summer job to earn extra money, Becky Chapman answers the phone at Children and Veterans. When no one is around, Becky does her own sales pitch.*

# Worlds Away

Vacations provide the best opportunities to experience life in different settings. During various school breaks, students at PHS pack their bags and travel to other places to explore the unfamiliar. While traveling, they learn more about far away places and about the people who live there.

*(Clockwise) Nino Keadze, from the Republic of Georgia, has lived in Pikeville this school year as an exchange student. Nino, here with her friends from home, remarks "It's truly an experience I'll always remember."*

*Summer vacation is a wonderful time for traveling. Nicholas and Tanya Rogers pause for a snap shot in front of the Canadian National in Windsor, Canada.*

*Sarah Baird spent last summer "hanging around" in New Zealand where she tried her hand at Bungi Magic. While traveling with Ms. Williamson, the group visited Australia, New Zealand, and Hawaii.*

*Cara and Cade Cinnamon cautiously sit at the edge of the Grand Canyon in Arizona. This devious duo, vacationing with their parents, appear to have something hidden behind those smiles. As usual Cara charges "Cade did it."*

*Over the Thanksgiving holiday, Mr Epling daringly escorted a group of enthusiastic tourists to the Big Apple. Kelsie Friend, Lisa Lowe, and Belinda Ratliff excitedly gathered autographs from hard-core rapper Ice T*

# All The World's A Stage

Students at PHS are known for their ability to "ham it up." Put a camera in front of them, and they will do almost anything. Drawing attention is an art, and these students are masters of it.

*(Clockwise) Andrew Scott, PHS's own Geraldo Rivera, interviews Elizabeth Smith on issues that concern teenagers today. The film was used as part of a biology project.*

*See no evil, speak no evil, hear no evil, No! These monkeys were actually invited to an Elizabethan feast.*

*Farmhands Sarah Baird, Jeremiah Elswick, Tammy Newsome, and Lucy Vencers reenact a scene from To Kill A Mockingbird in their Sophomore English class.*

*Beth Blackburn, Bethany Tiller, and friends, show their school spirit by participating in the Homecoming events. Today was obviously "Crazy Hair Day".*

*Jamie Worrix, as he is usually seen, scratches his brain in contemplation as to what to have for lunch.*

# One Last Look

On May 30, the Class of '92 ended its twelve year long quest as seventy-five of its best marched into the T.W. Oliver Gymnasium as a group for the last time. The Baccalaureate and Commencement Exercises got underway as the class entered the gym to the Fanfare and processional "Pomp and Circumstance" played by the PHS Band, under direction of Dan Houston. Laura Pinson delivered the Invocation, and Traci Morris led in the Pledge to the Flag. The Scripture lesson was given by Tedric Evangelista. The audience was entertained by the Band which played "Ye Banks and Braes O' Bonnie Doon", and Jared Hall and Brian Schindler who sang a duet "Pray for Me". Principal Tom Swartz presented the honors, awards, and scholarships. The Co-Salutatorians, Duke Ruktanonchai and Susan Staten, spoke of the future and the dearness of memories. Valedictorian Rachel Wagner delivered words of wisdom to her classmates. Three distinguished alumni, Burlin Coleman, Col. Walter Hatcher III, and William R. Belcher, were recognized. After the presentation of diplomas, Supt. John Waddell confirmed the graduation. Jo Layne recited a class farewell, and Jason Blackburn led the Benediction.

## Sea Of Love

The Pep Club was extremely active during the year. Their major activities included making goodie bags, decorating lockers, baking treats, decorating houses, and being #1 fans to Pikeville's various athletic teams.

Mrs. Mayo and Mrs. White, the club's sponsors, helped pull the girls together to make PHS a "peppier" place. (below rt.) Seniors Amy Layne, Sara Sanders, Cindy Wakeland, and Rachel Boyd enjoy the construction of the infamous "goodie bags." One of Pep Club's most popular activities was the Homecoming Dance. The theme, "The Sea of Love," was reflected by a metallic menagerie of sea creatures and a huge balloon octopus was the focal point of the dance floor. Rockin' sounds were supplied by the fabulous "Sound Machine."

The 1991 court included Freshmen Ashla Hayes and Jonda Allman, Sophomores Lucy Venters and Tammy Newsome, Juniors Elizabeth Smith, Taryn Damron, and Sabrina Thacker, and Seniors Traci Morris, Heather Thompson, and Queen Sara Sanders.

# F C A

Since summertime the officers and sponsors of FCA have been busy creating new and exciting ideas for the club's future. The club's attendance more than doubled starting the year off on the right foot. Due to cook-outs, working the concession stand, "Weekend of Champions", ice skating, various FCA camps, and attending major league ball games, FCA became one of the most popular clubs at PHS.

The "Weekend of Champions" is a unique type of gathering that the FCA attends. This year the club traveled to Lexington to hear several college students give testimonies.

FCA sponsors many different camps such as leadership, girl's basketball, and football camps held in Georgia and Indiana.

Ending the year is attending an exciting "Reds" game; a trip no member wants to miss. Also, a final cook-out is held to elect officers for the upcoming year.

## Student

(above left) Sarah McGuire seems to be tinkering with the idea of teaching Calculus. (above right) We thought Mrs. Sallee, not Susan Staten, taught English!

PHS's Student Council had another year in which they sponsored activities ranging from changing the school's bulletin board in the Commons Area to hosting the annual Open House for teachers and parents. Other events such as delivering candy grams to sweethearts on Valentine's Day, assigning student-teacher secret pals, and hosting the traditional Varsity Dance helped to show the members of Student Council the importance of student involvement in governing their school.

Student Council's biggest project this year was the Open House. Due to a more massive turnout, Open House proved to be a rewarding experience which brought parents and teachers closer together. (right) Erica Hall and Jo Layne were voted "escorts of the evening." (below) Freshmen members get a taste of working with new faces.

# Varsity '92

Had a good ribbin' lately? Well, if you were at Varsity you did. This year, Varsity was a different kind of dance. There were no dresses or suits, just faded jeans and T-shirts. A table loaded with ribs, nachos, and much more was set up on the side. The Common's Area was enlivened by the lights and music of the Sound Machine. "To Be With You" was played in honor of the 1992 Varsity Court. The court included (l-r) Soph. Lucy Venters, Jr. Lisa Kelly, Sr. Sara Sanders, Queen Traci Morris, Sr. Laura Pinson, Jr. Taryn Damron, Fresh. Dana Burke, and Crown Bearers Laura Davis and Jess Mims.

# Speech & DRAMA

The 1992 Speech and Drama team were extremely successful this year. They participated in KESDA state, KHSSL state, the Gatlinburg Invitational Tournament, and various other competitions. Several of the team members advanced into the final rounds at state continuing the winning tradition of the Speech and Drama Team.

The fifteen members of the PHS Academic Team excelled this year winning District Tournament, achieving fourth place in Regional competition, and sending their quick recall team to state. PHS is the only team east of Lexington that has participated at the state level every year since the inception of the tournament in 1986.

The **Future Homemakers of America** were very active at PHS this year. FHA is an organization that teaches young people that work at home is as equally important as work in the business world. As an act of appreciation, FHA members presented the faculty and staff with heart-shaped suckers on Valentine's Day. They participated in several other activities ending the year on a successful note.

The **Future Business Leaders of America** have proved to be a working enterprise this year. The club took several trips this year including ones to the FBLA Regional Convention and a trip to Cincinnati. The club sparked lots of interest upholding the FBLA name.

PHS's National Honor Society has been very involved in both school and community related activities. They have had several bake sales, gone caroling at Christmas, and made Easter baskets for children at the hospital this year. The National Honor Society takes pride in helping others.

# PROJECT PROM 92

For the past three years, PHS has hosted an after-prom party called "Project Prom." This year was no exception. Community businesses pulled together to donate enough money to buy refrigerators, T.V.'s, VCR's, clock/radios, scholarships, and much more. These gifts were used as prizes for Juniors and Seniors who attended Project Prom to party in a manner reminiscent to the "Roaring Twenties" from 1:00 to 5:00 AM on Saturday. Playing games the entire night proved to be hard work for everybody. So, cookies, cakes, pizza, sandwiches, and other foods covered three buffet tables and gave the students the energy to continue partying all night long.

*(above right) An emotional Josephine Layne doesn't understand that the going rate for a T.V. has been upped to 300,000 dollars. Prom 1992 was an extraordinary event. The dance was held at the Mark II where peach, blue, and ivory balloons rested on the ceiling. A buffet of cheese cubes, chicken wings, and fried vegetables was set up at the rear of the lounge making the dance complete.

# P HS FOOTBALL:

*The 8th wonder of the world*

The very substance of the ambitious is merely the shadow of a dream.

— William Shakespeare

The ambitious 1991 Panther Football Team began the season working toward a dream: to return to Louisville for a shot at the state title. These athletes spent the summer in camps and put in hours of practice preparing for the season.

The season began with the Pike County Bowl and an impressive 27-14 win over Lincoln Co. After rolling over Elkhorn City, Allen Central, and Wheelwright, the Panthers faced the biggest challenge of the season thus far playing long time rival Belfry. The team experienced an exciting win over the 3A powerhouse, racking up 41 points and holding the Pirates to only one touchdown. Revenge is sweet! Although the competitors often had more speed and size, the mighty Panthers compensated by playing hard and doing what it takes to win. They remained undefeated through the regular season and playoffs.

## tate Runner-Up

On December 5, the Panthers arrived in Louisville to prepare for the game on the following day. With kickoff scheduled for 1:00 p.m., football fans of all ages filled Cardinal Stadium, anticipating the final game of the season. The Pikeville Panthers would meet the Beechwood Tigers to battle for the State Title.

The first half saw the Panthers fall behind 21-0. In the third quarter, Senior Darrel Ratliff charged into the end zone and renewed the Panther spirit. Although the remainder of the game was hard fought, the team just couldn't pull it together. As the final seconds ticked

off the clock, Beechwood had won 34-6.

(pic 1) Tedric Evangelista runs toward the endzone while James Weddington holds off the defense. (pic 2) The quarterback position was filled by Junior J.P. ## Above The Rim

The 1991-1992 Panther basketball team had a rocky start. Because five of the team members came straight into basketball season from the State Football Championship, the entire team had only two days of practice together before the first game. However, the team bounced back after Christmas winning eleven games and losing only five. The Panthers were PIT and All A Regional runners-up, losing both games to Elkhorn City. In post-season play, the team secured the District title, beating Shelby Valley 70-62 on their home court. The regional tournament brought a disappointing loss in the finals to Belfry 82-71.

Coach Howard Wallen said this team

overachieved and that he was very pleased with their improvement.

(pic 3) At the heart of the team was Coach Howard Wallen who led the Panthers to an outstanding 20-11 record. (pic 4) Senior Kevin Lockhart shoots a lay up over a stunned Shelby Valley player.

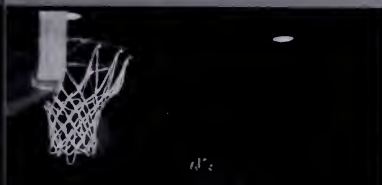

## *Priode's Ladies*

Coach Steve Priode took the floor this year for the first time as head coach of the Girl's Varsity team. The girls found themselves again under new leadership. Although the regular season was quite a struggle, the team fought hard and prevailed in tournament play. In the All A Classic, the Lady Panthers battled through both the district and regional tournaments, and found themselves Regional runners-up, losing only to Elkhorn City 57-55 in overtime. When District tournament play began, the girls were ready to win. No opponent posed a challenge great enough to defeat "Priode's Ladies" until the girls met Shelby Valley in the final game. As District runners-up, the team was entitled to advance to the Regional tournament at Betsy Layne. The Lady Panthers' season came to a close when they faced Sheldon Clark in the opening game of the Regional tournament. Coach Priode and his Lady Panthers showed remarkable improvement from the season's start and represented PHS well in tournament play.

## anthers Prevail

The 1991-1992 Girls Varsity Cheerleaders enjoyed an especially successful year. Early in the summer, the squad travelled to UK to participate in UCA camp where they were camp champions. The squad was first runners-up at the annual King's Island competition and at the YMCA State Championship.

The girls cheered at both JV football and girls varsity basketball games. During basketball season, the squad was named 59th district and 15th regional tournament champions as well as district and region-at-large champions.

The competition squad finished off the year by capturing the State title. Coach Lisa Wheeler was named State Cheerleading Coach of the Year. Expressing her happiness, Ms. Wheeler said, "This was a really young group of girls who had to work extremely hard to achieve at the level that they did."

# Hard Ball

The 1991-92 Panther Baseball Team was not satisfied to play anything short of hard ball, making them one of the best teams in the state. They finished the year with a 26-16 record.

The season began with the spring break trip to Cocoa, Florida where the team competed in the annual tournament held there. Next, teams from the area were invited to play in the Panther Classic, a tournament hosted by PHS. In regular season play, the Panthers played a schedule that consisted of many top ranked teams and lost only fifteen games all season.

It appeared that Shelby Valley would bring the season to an early end in the first game of District tournament play. The Panthers entered the bottom of the seventh inning with a nine run deficit, but the team came together and scored ten runs to beat their would-be opponent. After defeating Millard, the team was named 59th District champions for the 15th consecutive year. For the second season in a row, the team captured the 15th Regional title, beating Magoffin County, Belfry, and finally a formidable Betsy Layne team. In the Sectionals, which were played at Corbin, the team first faced Buckhorn, winning 9-3. But in the second game, the Panthers fell to a strong Middleboro team 10-1.

The team lost four key players to graduation but expects to continue the winning tradition next year. When asked about his players, Coach Dave Thomas remarked, "This team really improved over the season. We accomplished many of our goals and made giant steps toward building a solid baseball program . . . It has been a total team effort. The seniors have given a lot of time to our program . . . They will be remembered for their accomplishments at PHS."

*(pic 1) The "Boys of Summer" enjoy a lazy day at the ballpark. Meanwhile, as Mickey notices, there is a game being played. You want pepperoni, sausage, and extra cheese?"*

# Who's On First?

The girls' softball team had a demanding 1992 season. Coaches John Stratton and Bill Baird led the girls to a 18-22 record. The team won a hard fought battle for the title of 59th District Runners-up, losing to Millard. The Lady Panthers ended the year in the first round of the Region.

The team says goodbye to only two Seniors this year, pitcher Lisa Lowe and shortstop Shannon Deskins.

(pic 1) Senior pitcher, Lisa Lowe, tosses one over the plate. Lisa completed her sixth season as a Lady Panther this year. (pic 2) Cindy Combs hustles to first, but the ball just beats her there.

# L ife Is Short . . . Play Hard

The 1991-92 boys and girls track team had a very rewarding year. Both teams won the regional meet, and the girls were first runners-up in sectionals.

The boys' 400m relay team came in first nine times through

the year and were region and section champs. The girls' 400m and 800m relay teams won region and section. DeAnthony Honaker was the only team member who placed at state, coming in third in shot.

The 1991-92 Golf Team finished the season with an impressive 26-7 record. Junior Grover Justice was the runner-up medalist in the region and advanced to state. At the state tournament, Grover successfully finished 26th out of 116 golfers. The team is losing one senior, Matt Mayor, and is expecting to have another great season next fall.

The 1991-1992 Boys Varsity Cheerleaders began this year in summer practice preparing for UCA cheer camp at UK, where they were named camp champions. During football season, the squad placed in the top ten at the King's Island competition. The girls captured the 15th regional basketball tournament cheerleading title, the 59th district and 15th region KAPOs titles, and 3rd place in the state KAPOs competition. To top off a great year, the squad won the NCA regional competition which led to Nationals in Dallas, Texas. There they placed among the top ten in the nation. Much hard work and dedication was put in by all the girls, their parents, and their coach, Mrs. Stone throughout the year in order to accomplish their goals.

## We Hold The Future

On May 26, 1992, the Pikeville Junior High School saw one hundred and nineteen of its brightest march down the aisle at the T.W. Oliver Gymnasium as the Junior High Band played the Fanfare and Processional *Pomp and Circumstance*. Class President Jay Evangelista led the audience in the Pledge to the Flag, and Karen Strawser delivered the Invocation. Parents and friends were welcomed by Assistant Principal Hillard Howard. The class poem, "We Hold the Future", was recited by its author Wes Justice. Junior High teachers presented the academic awards, Rosemary Swartz honored the Top Ten, and Principal Tom Swartz recognized other honors and awards. A memorable Valedictory address was delivered by Prithu Mettu, and Salutatorian Joe Malik spoke of memories and the future. After the ceremony, the graduates held their celebration dance at the Mark II where Elizabeth McCoy and Clark Potter reigned as King and Queen.

## PJHS basketball: *slammin'*

This year a new program, Pre-school, was instated at the Pikeville Elementary School. A number of students attend the Pre-school each day to get prepared for Kindergarten. The pre-schoolers' day is supervised by Lenore Hamlin.

(left) When pictures are taken in the morning, students are bright-eyed, bushy-tailed, and ready to have a story read to them. Gina Bryant, Timothy Champlin, Chip Davis, Angela Williams, Chris Slone, and Trista Elswick wonder what the story of the day will be. (below) After a hard day of "7-Up", music, art, lunch, and physical education, it is obvious that pre-school is harder than portrayed on T.V. Stanley Kidd, Gina Bryant, Angela Williams, Josh Williamson, Brittany Deskins, Trista Elswick, Jonathon Williamson, Marcus Sanford, and Cody Williams are ready for Mrs. Hamlin to say it is nap-time.

# SPEECH AND DRAMA

This year the Elementary Speech and Drama Team was small but contained high quality members. Emily Belcher, the team sponsor, was extremely proud of the group. The club made its mark at the state competition keeping the Pikeville tradition alive.

*(above) Jordan Adkins, C.T. Branham, and Michael Pruitt have CNN news correspondent written all over them. Their stepping stone to fame is doing the morning announcements at school.*

*(right) The Speech and Drama Clubs devoted members are Ashley Holbrook, Emily Belcher (sponsor), Sara Beth Tackett, Michael Pruitt, C.T. Branham, Chad Roberts, Jordan Adkins, and Davin Adams.*

(top left) Gifted and Talented students from Elementary and Junior High seem pleased with themselves at completing their computer lessons. (iett) Ashlie Cook and Aslie Sykes enjoy the Lexington Children's Museum. (bottom left) Micheal Corbin explores the Museum of History and Science in Louisville. As Editor of the '91-'92 Panther yearbook, I would like to extend a special thanks to everyone who helped make it a success. The staff had only one returning member, besides myself, and fourteen new members. Having to train a brand new staff made it difficult to get started right away. The year seemed as though it would be an insurmountable challenge. However, with hard work, dedication, and many extra hours, the year proved a wonderful success. I would like to recognize and thank each staff member. Without them the yearbook wouldn't have been possible. Special thanks to Becky Chapman, Jennifer Childers, Cara Cinnamon, Erica Hall, Kristal Hylton, Adrian Layne, Josephine Layne, Melissa Marcum, Heather May, Renee Pigg, Laura Pinson, Andrew Scott, Rachel Slone, and Brooke Smith. I would also like to thank our dedicated advisor Jeanne Williamson. She has helped make the year a memorable one. I hope you all enjoy this yearbook as much as the staff and I enjoyed creating it. I would like to wish next year's staff even more success than we've had this year.
