I Had A

These are the moments of our youth when the school days seem too long and the weekends too short. The ball-games, graduations, dances and pep rallies feel like they slip away too soon. Together we struggled and succeeded. We laughed and we cried, and with every one of these moments, we can honestly say "I had a good time!"

(left) **Tim Champlin, Josh Chafin, Casey Rowe, and Will Lockhart** arrive early for Saturday morning football practice. (below) Fundraising for their youth group, **Max Patanda, Jacob Sword, and Robert Boyd** prepare to go "flocking" (placing plastic flamingos in peoples' yards, so they have to pay to get them out.)

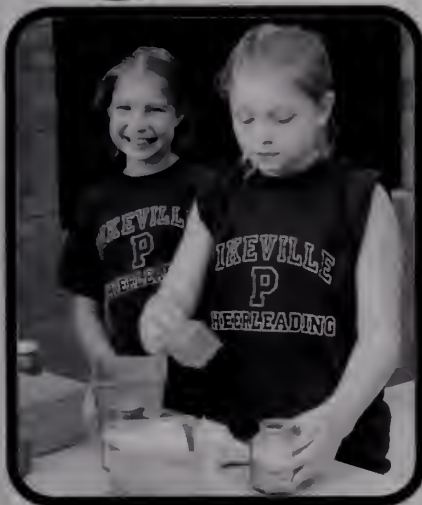

(above) After the match and taking their game faces off, **Erica Newsome and Suzie Harville** put on their Myra face.

(burst) During the Senior pool party, **Chris White** decides to take a relaxing dip in the pool. (left) Squad C cheerleaders **Katie Ahers, Bridget Walsh, Elizabeth Childers, LeAnn Clevenger, Jessica Martell, Rachel Hebbi, Sarah Beth Mounts, Morgan Roberts, Sara Champlin, Lindsey Cross, and Katy Ochoa** fill in for the boys' varsity cheerleaders.

Good Time

(left) Helping Mrs. Wheeler raise money for the cheerleading squad, junior high cheerleaders **Felcia Jones and Casey Trimble** enjoy creating sand art. (right) Panther fans in training, **Cassie Chaney, Caitlin Bartley, Stephanie Harris, Beth Epling, and Amber Kendrick** follow the cheerleaders in a sideline chant.

(far left) **Kristen Compton, Ann Francis, and Chasity Compton** sell Dippin' Dots during Open House.

(above) **Cenner Byers, Bailey Vanhoose, Bryce Williams, Cade Byers, Braden Kendall, Hunter Heffington, and Denten Heffington** support Panther basketball.

Friends are angels who lift us to our feet when our wings have trouble remembering how to fly.

At Pikeville High and Pikeville Elementary, we strive for excellence, and no matter how daunting or difficult the task, Pikeville Panthers always *give it their best shot*.

Whether it is taking a pop quiz we didn't study for, sack racing in the Mock Olympics, or swing dancing in Fine Arts, PHS students are constantly trying their hardest to make a memory and succeed!

(above) **Justin Trimble** sure knows how to throw his game! (top, right) "Hey, this shouldn't be too hard!" **Tiffany Yates** tells herself as she prepares to clobber a teacher. (left) **Jonathan Neeley, Mac Fain, Chris Crager, and Gabe Evans** work hard in Ms. Kennon's class to get the grade. (right)

Jarrod Johnson concentrates on the target, hoping to win the prize!

(left) Getting into the Christmas spirit, **Savannah Jo Crider** makes an ornament.

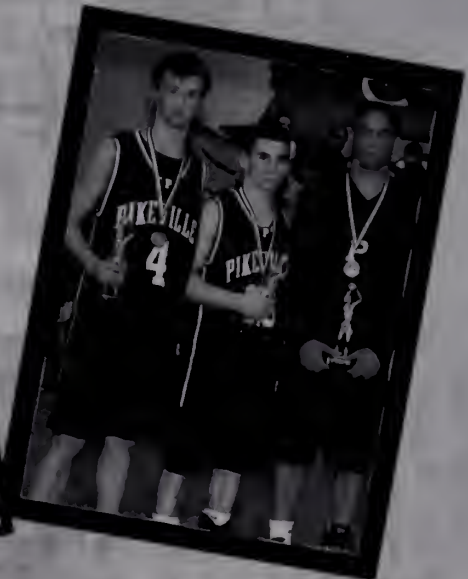

I wanted to

It could be simply yelling louder than anyone else in the stands, or it could be dressing funny so that everyone looks your way. Maybe it's the idea of streaking your hair with an obviously different color. Heh, what about painting your body maroon and white?! Whatever IT is, students at PHS say **"I Wanted to Stand Out!"**

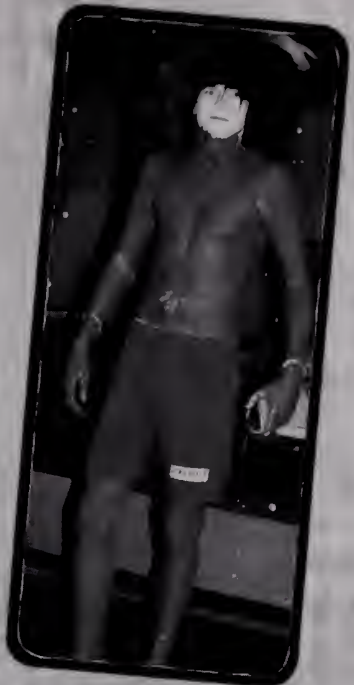

(top right) **Samantha Sword** proves she has all the right moves while learning yoga in gym class. (above) **Tara Sword, Kelli Kerr, Lara Daniels, Amanda Combs, Kristen Justice, Stephanie Combs,** and **Erica Newsome** dress a little "out of character" to earn bonus points for English. (center right) "Yes, we are dressed as *The Incredibles* and, yes, we are incredible!" exclaim **Taylor Stone, Lynlee Jackson, Kaitlyn Justice, Jennifer McDonald,** and **Ariel Ferrari.**

(bottom left) Senior **Alyssa Cline** went a little 'bananas' at cheerleading camp, but **Amanda Martin** and **Bailey Joyce** didn't hold it against her! (bottom right) Basketball team members **Chance Robertson, Jacob Sword,** and **Tim Honaker** made PHS proud by being named to the 59th District All Tournament Team.

STAND OUT

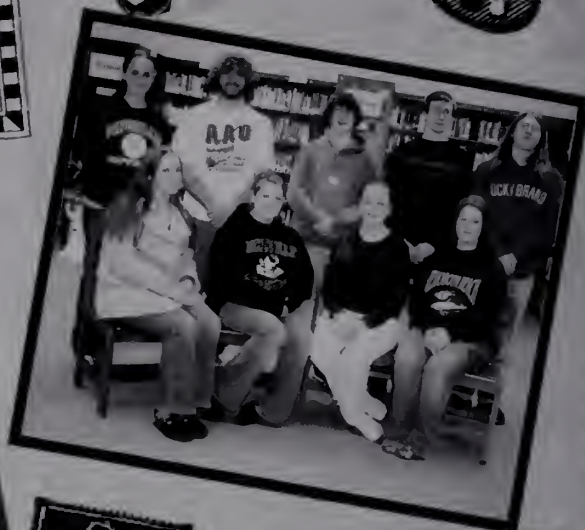

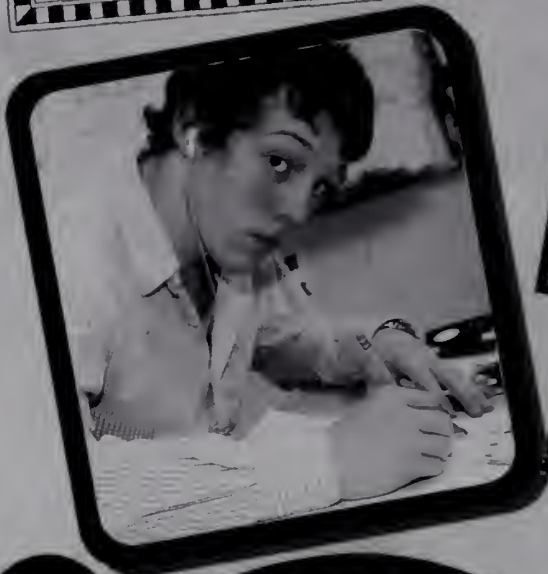

(top left) **Christin Lavendar** expresses herself through her hair color; today it's blonde! (top center) **Justin Trimble** proves to be all gangsta while dressing up for the first round of regional basketball tournament action. (top right) School spirit never seems to be a problem for **Jamison Jackson**. (left) **Taylor Ratliff**, **Scott McDonald**, and **Layne Cecil** discovered their teammates can finally spell their names. (bottom left) **Bradly Blankenship** brings the fans to their feet during a pep rally on the football field. (bottom right) Dedicated fans know how to stand out at a football game!

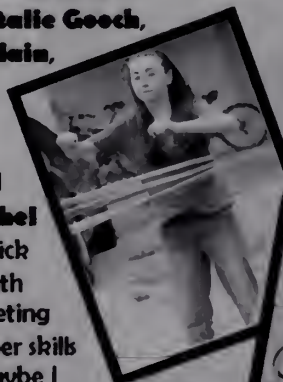

TALENT DISCOVERED

Talent is finding something that is a unique quality of an individual. Here at Pikeville High we strive to discover our inner capabilities. From dribbling a basketball to acting in the first school play, from creating a self-portrait to sitting in the fan section showing *Panther Pride*, I learned about myself..... *I Discovered my Talent!*

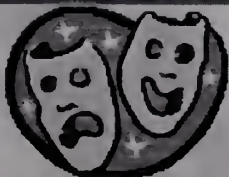

(top left) Tapping into his creative muse, **Austin Fields** listens to his I-Pod and creates a masterpiece in art class. (top right) **Natalie Gooch, John Scott, Gabe Evans, David Houston, Casey McClain, Melissa Tackett, Charity Compton, Ann Francis, and Brianna Mack** display their musical talents by securing their spot in All State Band. (center right) Singing their hearts out, **Max Smith, M'Kenzie Carter, David Houston, Tara Sword, Rebecca Dawahare, and Rachel Sidle** make All-State Chorus. (center left) Posing for a quick picture with a fellow castmate, **Cara Hall** catches a breath between performances of "Into the Woods." (right) Competing in the school's first carnival, **Amber Kendrick** shows off her skills in the hula hoop contest. (far right) "If I make this shot maybe I can win the grand prize!" pres-schooler **Jonah Green** thinks to himself.

"Everyone has talent. What is rare is the courage to follow the talent to the dark place where it leads." - Unknown

I Guess You Just

“Remember that one time.....?! That was HILARIOUS!” We all have our inside jokes and special moments with our dearest and closest friends. And sometimes random, funny situations happen with strangers and/or our classmates, but no matter what it is to actually have that special connection *I Guess You Just Had to be There.*

Had to be There

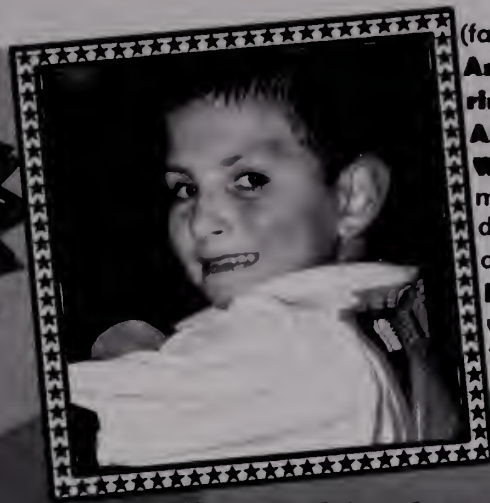

(above) **Bryce Puckett** flaunts his Spanish attire around the high school hallways. (middle) Registering for your freshman year of high school is scary for anyone! Just ask **Lauren Cool** and her mother as she fills out her forms during registration. (bottom right) Taking a break from cheering on the Panthers, **Halle Raschella**, **Lesley Francisco**, and **Lauren Lawson** chow down on nacho chips and cheese!

(far left) Water girls **Amanda Goff, Katherine Hart, Elizabeth Altman, and Erin Wheeler** make sure the men in maroon stay hydrated with Gatorade and water. (left) **Will Boyd** breaks a sweat watching the Panther football team play!

Exam Time

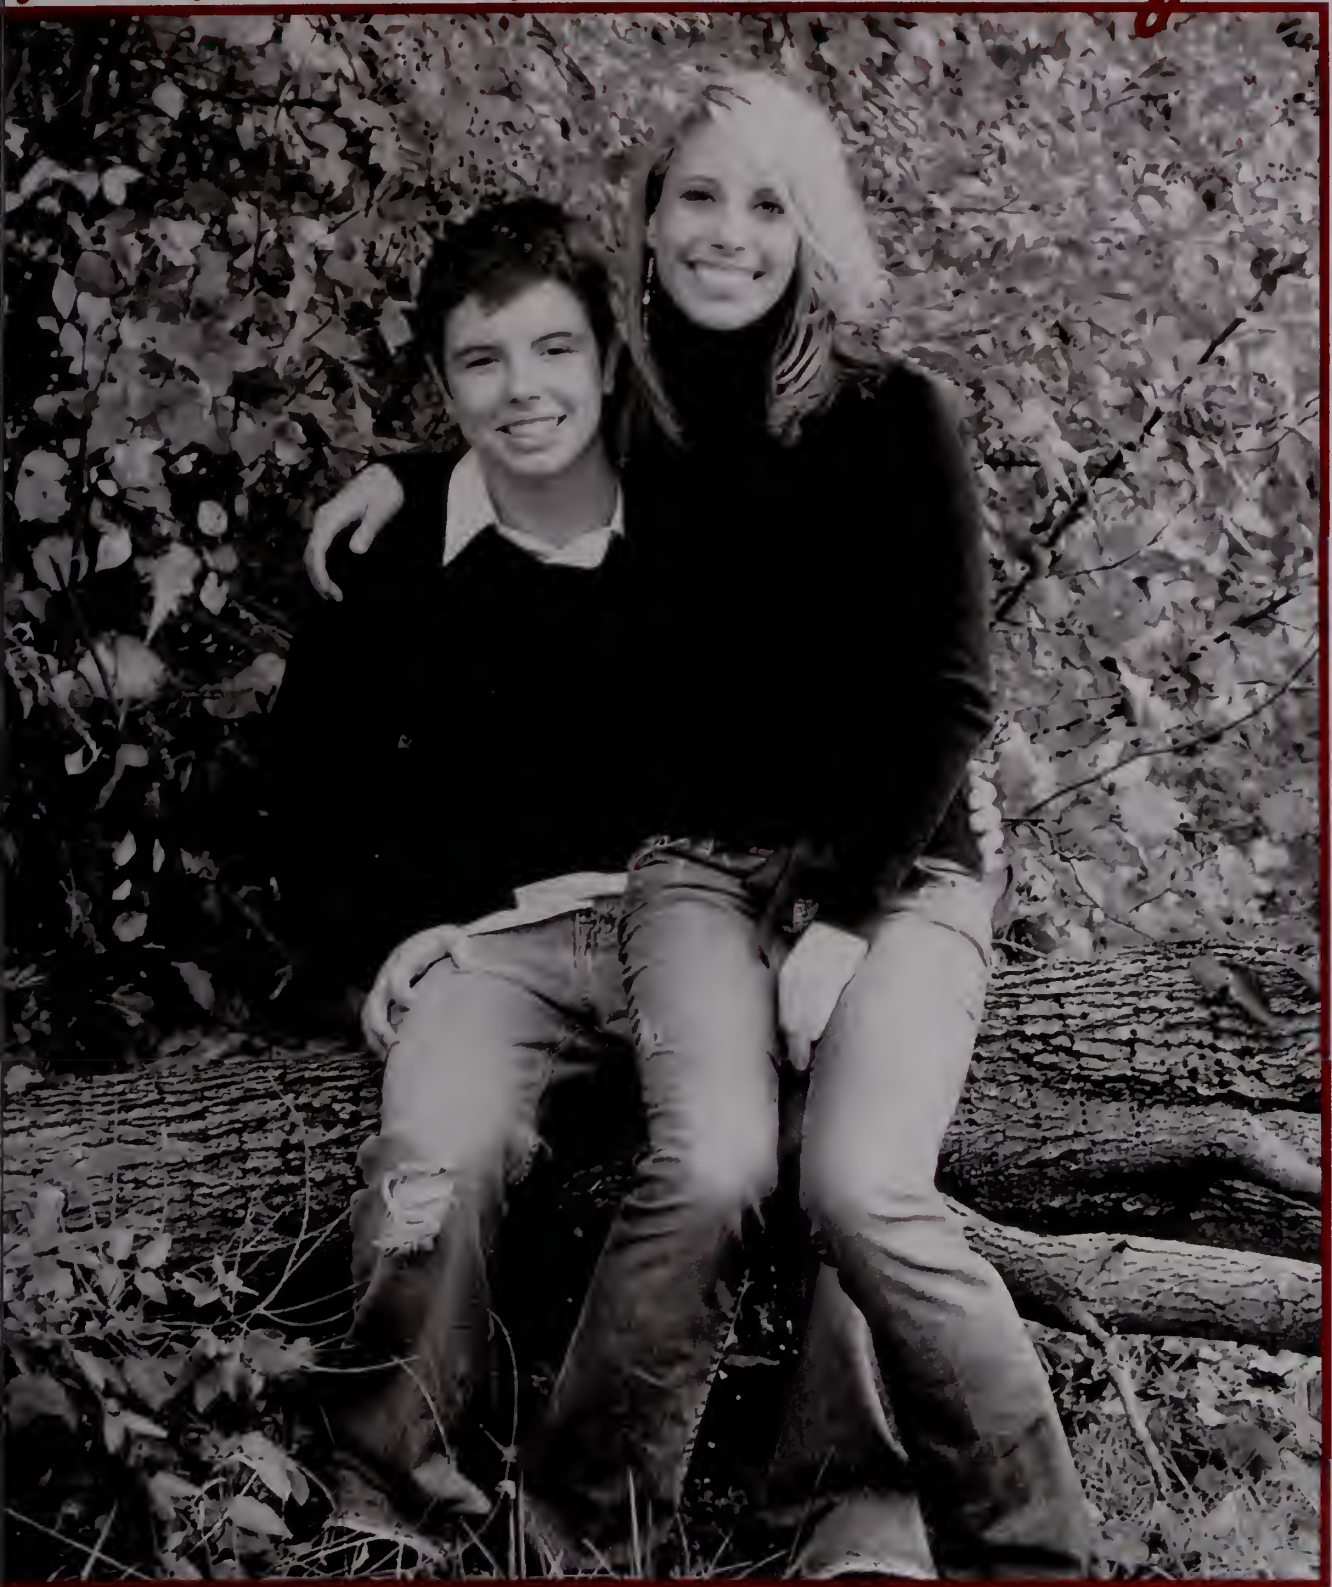

Who says semester test time has to be the most dreaded time of the year???! With attendance and academic passes or exemptions for proficient and distinguished CATS scores, students can spend lots of time in the commons area, while others are laboring over exams in the classroom. (above) A group of boys play cards to pass the time. (left) **Zach Combs, Thomas Browning, and Nicky Raschella** challenge their minds with a game of chess. (bottom left) **Thomas Lane** catches up on his reading while his buddies play cards. (bottom center) Listening to music on his I-pod, **Taylor Mullins** is oblivious to his surroundings. A Time to Celebrate

An emotional afternoon on May 21, 2006, was shared by 85 graduating seniors and their parents and loved ones. Upon entering the auditorium to Pomp and Circumstance, students filed to the stage to take their seats. Once Superintendent Jerry Green confirmed the class as PHS Alumni, smiles and tears appeared on the faces of the Class of 2006.

(top) **Brandon Adkins, Chris Allen, Karri Alley, Justin Anderson, Seth Batten,** and their classmates stand for the Pledge of Allegiance. (right) A special memorial was made to classmate **Max Lester** who passed away in October, 2006.

Spreading The Light

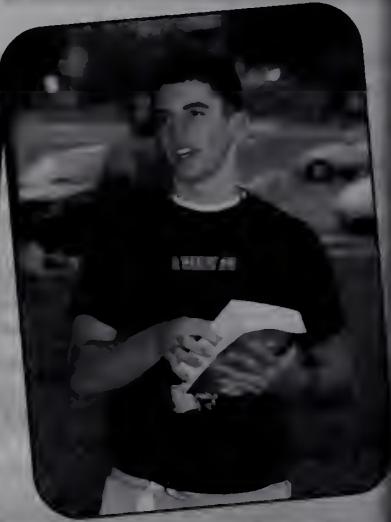

The Fellowship of Christian Athletes is touching millions of lives...one heart at a time. Since 1954, FCA has been challenging coaches and athletes on the professional, college, high school, junior high, and youth levels to use the powerful medium of athletics to impact the world for Jesus Christ. FCA is the largest Christian sports organization in America. This group focuses on serving local communities by equipping, empowering, and encouraging people to make a difference for Christ.

The Sound of Music...

The stage came alive with actors, back stage hands, and the orchestra during the February production of the 1930's classic *The Sound of Music*.

Student director Rebecca Dawahare and student technical director Allie Sisco spent hours with a committed crew of students to assure a stellar performance.

A new club was formed this year, one that's fighting for changes in our school and around the community. This environmental group, Forever Green, placed recycling boxes in every classroom, hoping to bring awareness to the dangers we are causing to our environment.

Wasting water and other natural resources was an important issue this group tackled as well. Water Conservation Day proved to be an eye opener for several students and faculty.

And what an afternoon of fun and competition they had!!

A 'PAR'fect Season

The PHS Girls' and Boys' Golf Teams celebrated an amazing season on the green, spending the last of their summer at Green Meadows practicing hours on end.

These two teams played well in tournaments in Lexington and Louisville and made a name for themselves at the State competition in Paducah, Kentucky.

Special recognition goes to girls coaches Cindy Halbert and Karla Corbin, and boys' coaches Mike Castle and Jordan Keene!

Keep Your Eye on the Goal!

The girls' soccer team played the rebound well enough to win its season opener, scoring twice off balls that bounced off the goal-post on their way to a 3-1 victory over Shelby Valley. Coach George Childers' words following the game—"This is the first game they've played this year and I think we'll get better as far as shooting the ball goes." - held true throughout the season.

First year goal-keeper Tiffany Yates, who was moved to the net after teammates Lindzey Justice and Suzie Harville were injured, got a 2-0 shutout against 32nd District rival Perry Central.

"We're just a whole new team so everybody worked hard to get into the rhythm of playing because we only had one starter back this year," said senior Payton May of the 2005 season. (middle from left to right) Bryce Puckett, Michael Hull, David Hatcher, (bottom from left) Nathaniel Levy, Max Pafunda, Payton May, and the rest of the team enjoyed a successful year.

The boys' soccer team lost 15 seniors off last year's team, costing the Panthers almost their entire starting lineup, plus several of their top substitutes. And with a new coach on the sidelines as well, this team knew they were at a disadvantage going into the season. However, the Panthers' passing game in their home opener against Shelby Valley worked well enough in the first half to set up three goals. Pikeville held off the Wildcats for a 3-2 victory. And their season continued to be exciting!

Nationals

This group of young, determined girls shined at PHS by overcoming the odds and bringing home several trophies to showcase their accomplishments.

They started off the year by being named UCA Camp Champs, and the winning didn't stop there. Spectacular performances in the Lexington Holiday Classic and the Smokey Mountain Christmas Competition paved the way for the squad's showing at the UCA National Championship; they brought home the first runner-up trophy in the Freshman division.

It was no surprise when the girls walked away with the Class A State Champs trophy in the division and the KAPOS third runner-up trophy in the Traditional Category.

Are you ready for a game of **TENNIS**

Tennis Team (row 1) Amy Robinson, Drew Simmons, Shikha Sachdeva, Rebecca Stratton, Lynn Leedbanachoke, Shilpa Sachdeva, Suzie Harville, Melissa Tackett, (row 2) Coach Dan Houston, Corey Charles, William Hogg, Eric Poulos, Salmon Jeehani, Krishna Vyas, Chase Childers, and David Houston

Are you familiar with the history of tennis? See if you know the answers to the following trivia questions about this popular sport that originated in France.

The word *tennis* is generally attributed to the French *tenez*. What does the word mean?

What two kings lost their lives as a result of tennis? What happened?

What is the origin of the score *love*, having zero points?

Answers:

("here!", "catch!", "here you are!", or "be ready!")

King Louis X of France (died of a chill immediately after playing an energetic game at Chateau de Vincennes) and Charles VIII of France (striking his head on a horizontal piece of wood over the door which led to his tennis court).

The word most likely came from the French word *oeuf*, which means egg. The oval shape of the egg is symbolic of the numeral "0."
