It's a Disney Day!

It's more than just song and dance! A talented group of students met after school for four weeks, combining choral singing with dance movements, before taking their show on the road.

The group performed nine shows total and traveled to six different elementary schools. Choir members were responsible for learning and performing their songs and coming up with original choreography for each song.

The group decided on specialized dance numbers. During two of the songs, five choir members left their places on the risers to perform in front of painted backdrops.

A projector, where a slide show of Disney images would coincide with the songs, showed which movie was being represented. This added a new dimension to the Show Choir experience.

Paint Pikeville Pink

The Paint Pikeville Pink 5K Walk/Run - Cheer for a Cure held August 20 brought out many PHS students and community members who support the cure for breast cancer. Members of Student Council and FBLA volunteered to encourage participants along the route and hand out water at the half way point.

The multimedia classes provided students with an introduction to the fundamental procedures in the production and development of the school news show, *Panther Power Hour*, and the school newspaper, *The Independent*.

Students who were responsible for *Panther Power Hour* learned the techniques of video production, the role of director, videographer, script writer, news anchor, as well as actor. This was achieved through practical work designed to familiarize students with production equipment, procedures, ethics, planning, and execution of complete programs.

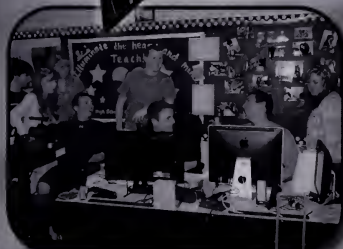

Lucas Taylor and Molly Bates anchored the news show. Sports anchors were Nick Jones and Randy Maynard, and the producers and editors were Dalton Daniels and Zak Keathley.

Making Special Music - SSA and SATB Choirs

Under the direction of Dan Houston, with piano accompaniment from Dena Gibson, the jr. high SAB chorus and the high school SSA and SATB choirs made quite an impression throughout the year. All three groups received a distinguished rating for their stage performance and a distinguished rating for their music sight reading in the District Choral Festival.

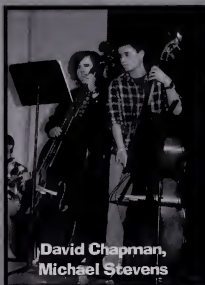

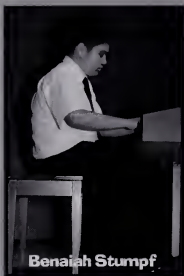

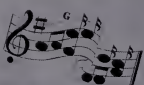

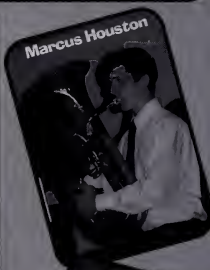

The music department's Renaissance Dinner, held September 11 in the Commons Area, showcased the talents of several students. Performance selections featured vocal solos, quartets, ensembles, choral groups, and monologues.

Keeping the Beat...

The marching/concert band began the year working on three different shows for football season - a Halloween show, patriotic show, and a Christmas show. Also, for the first time in many years, the band marched in full uniform.

The band also participated in the homecoming parade, school pep rallies, all home and tournament football games, and most basketball games.

The Truth....

It was a long and hard road to the state championship, but the seniors did it. They were the first to win the state championship in 1998.

Save the Last Dance for Me

King & Queen

Prom - one of the most anticipated nights on the calendar. PHS juniors, seniors, and their dates gathered in the Mark V on Saturday, May 12 for the last dance of the year.

Girls had spent months preparing for the night, anxious about the perfect dress, shoes, and accessories, as well as hair, nail, and tanning appointments. Guys, on the other hand, simply took care of renting a tux and choosing flowers for their dates.

Closing out the evening was the presentation of the Prom Court and the crowning of the king and queen.

45 Minutes From Broadway

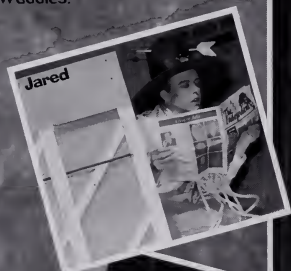

45 Minutes from Broadway, packed with humor, song, and dance, followed bookie Legs Rudy's (Jared Auton) flight from the mob. He found shelter in a Broadway theater where his gal, Trixie (Katie Stafford), worked.

His arrival coincided with that of Mary (Lexie Stapleton) from New Rochelle, which is 45 minutes from Broadway. As she found the limelight, Legs and Trixie found a happy ending.

The play, held April 13 - 15, featured student directors Jared Auton and Ashley Fleming and stage manager Courtney Waddles.

The girls began preparing for the upcoming season shortly into summer break. They knew they had to practice on their own and that tournaments were a great way to get instruction and practice competing. Once the school year began, the girls were on the golf course practically every day, either practicing or competing. As the season progressed, so did the players.

Senior Lindsey Isner had an exciting season. She placed first in Region and second in All "A" Region. Lindsey was recognized as the first female golfer to win the Region at PHS.

Sophomore Stacie Gooch also shined as she placed third in Region and second in All "A" Region.

Class A District 8/Region 4 Champions State Semi-Finalist

The Panther Maroon brought home a special season. They were District Champs, Region Champs, and, for the first time since 2004, made it to the State semi-finals by defeating Fairview 20 -18.

Then the team faced off against the Hazard Bulldogs but fell in a heart - breaker 35-57.

Their only losses during the season were to teams that advanced to the State Championship in three different divisions. Coach McNamee was named Region 8 Coach of the Year.

An 11-3 season was definitely something to be proud of.

20-12 Record

The 2011-2012 season definitely did not disappoint! A 20-12 regular season record gave the Panthers the first back-to-back 20-win season since 1999 and 2000!

The team captured the Pikeville Invitational Championship title by defeating Beechwood 77 - 60, Greenup County 53 - 46, and Hazard 56-53. Jared Tackett was recognized as MVP and Will Branham, Ethan Rowe, and Jacob Hamilton were named to the all - tournament team.

The Panthers celebrated the 59th District Championship after defeating East Ridge. Will Branham, Ethan Rowe, and Jared Tackett were named to the all -tournament team.

Will Branham tied the PHS record of highest number of 3-pointers in a game. He wowed the crowd with a shocking 10 three pointers in the teams' 76-52 win over Paris on Dec. 20 in the Fayette County Invitational. He was also named the 15th region player of the year.

Ethan Rowe became the 28th member of the PHS 1,000 point club when the Panthers rolled over Betsy Layne 61 - 42 on Feb. 16. He will enter his senior season with 1,038 career points and is ranked 22nd on the all-time scoring list.

Taking everyone by storm, the dance team, made up of dedicated, talented girls, was coached by Shana Bevins and Chelsea Taylor.

During the school year, they practiced several days a week to prepare for games and other events. They dazzled the crowds at home football and basketball games with their energetic, crowd-pleasing routines.

The girls ended the year placing third in State in the jazz medium division.

"We are very proud of our young ladies," said Coach Bevins.

Lady Panthers Finish With a 26 - 10 Record

A state semifinal appearance in the All "A" State Tournament was reason to celebrate. Pikeville won three straight games held in Owensboro before falling to Heath 9 - 2.

After losing to Livingston Central 8-2 to start pool play, the girls bounced back with a 2-0 victory over Raceland and a thrilling 5-4 win over Glasgow to advance out of the pool. Pikeville wasn't done yet. They defeated Gallatin County 5-4 to advance to the semifinals. Heather Maynard and Amber Sexton were named to the All Tournament team.

The Lady Panthers were runner-up in the District Tournament with Emily Hall earning MVP honors and Lindsey Isner, Aileah Bartley, Heather Maynard, and Mollie Blackburn being named to the All Tournament team.

The girls suffered a disappointing loss to Johnson Central, 7-1, in the opening round game of the 15th Region Tournament.

15th Region Tournament Champions

Two of the 15th Region's storybook baseball programs clashed for the right to return to Whitaker Bank Ballpark in Lexington for the state tournament. And when the dust settled on homeplate, Pikeville stood as champion over Paintsville with a 4-1 victory. Randy Maynard was named MVP and Jacob Burke, Jacob Hamilton, and Gavin Miller were named to the All Tournament team.

The Panthers' goal was to make another great showing in the state tournament like they did in 2010 when they reached the Final Four. However, when they met up with Bishop Crossart in the opening round of the tournament, Pikeville couldnt catch any breaks and fell 4-2.

The Panthers finished the season with a 27-8 record. They won the 59th District Tournament and the 15th Region District Tournament.

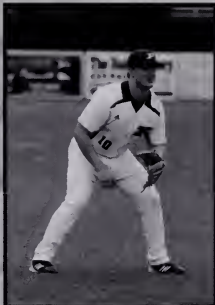

In the opening round of the All "A" Classic, Reese Ward pitched a perfect game, leading the Panthers to a 14-0 victory over South Floyd. During the game, Reese faced 15 batters, striking out 14. He is only the third player in PHS history to pitch a perfect game.

Promoting School Spirit

Supporting the junior high athletic teams and academic team, and hosting the Halloween and Christmas dances were the main goals for the Pep Club. Several afternoons were spent putting together treat bags, decorating lockers, making signs for the hallways, and organizing fan buses for tournament events.

Under the guidance of Kathy Shurtleff, members had a blast getting together to create spirit in the junior high hallways.

Jr. High Panthers Boast 14-2 Record

Dethroned. Belfry had been the king of middle school football since the Pirates formed Belfry Middle School.

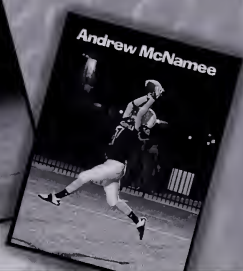

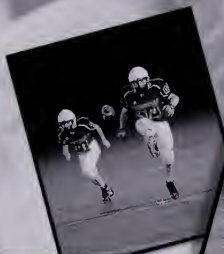

The Pirates entered the Pike County Championship game against Pikeville aiming for their sixth title. But the Panthers, behind a strong defensive effort, reclaimed the crown with a 6-0 victory.

With 1:41 to play in the game, Pikeville was faced with a fourth and two from near midfield. Quarterback Cody Charles converted the fourth down with a quarterback sneak, allowing Pikeville to run out the clock.

The Panthers finished the season unbeaten in Pike County and recorded a 14-2 record overall.

Cruising the Fairway

Practice is more than hitting balls, and the jr. varsity team knew they had to be patient enough to be diligent in their efforts to improve their game.

Coach Steve Combs worked with the boys on every aspect of the game. And it paid off. The team played area high school teams and won every match.

FIRST EVER COUNTY CHAMPS!

For the first time in PHS history, a junior high softball team was organized, and by the end of the season they had made quite a name for themselves.

Pikeville clawed their way through three games for the County Championship title. The girls won the first game against Belfry 28-9, the second game against East Ridge 23-13, and the championship game against Phelps II - 7. They were undefeated in district play.

The team lost only one 8th grader, Savannah Webb. They were coached by J.D. Hughes and Johnny Webb. Ronald Conn kept the books.

County Tournament Runner-Up

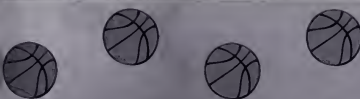

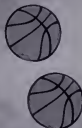

Pikeville began the season with the Pike County Pre-Season Tournament at Millard. The Panthers won the championship with a 75-32 win over Virgie.

Later, they participated in the Dorton Invitational Tourney and, in an exciting final game, Pikeville came out on top over Paintsville 48 - 46. Steven Silvers was named MVP, and Ryder Johnson and Blaine May received All Tournament Team honors.

Going into the County Tournament, Pikeville was undefeated, however, in the final game they fell to Dorton 51 - 48. Cody Charles, Ryder Johnson, Blaine May, Steven Silvers, and Zach Thacker were named to the All Tournament Team.

It was a rebuilding year for the Lady Panthers after losing 14 eighth graders from the previous season. However, that didn't allow the young team to steer them from their focus.

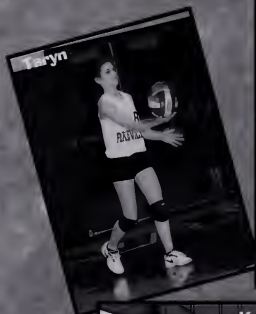

Going into the county tournament Pikeville was tied for first place with Elkhorn City. In the end the Panthers finished third. That was something to be proud of!

Kentucky Middle School State Runner Up Title

24-4 Season Record

Pikeville jr. high baseball made history. After capturing the Pike County championship and Eastern Ky. Semi State runner-up titles, they advanced to the team's first-ever state tournament at Lindsey Wilson College.

First, they defeated Morgan County 13-4 and then Martin County 4-3. The team lost to Pulaski 12-3, but both teams advanced to the final four.

There, Pikeville defeated Oldham County 6-4, but fell to Pulaski in the championship game 13-3.

"This team has gone farther than any Pikeville team," first year coach Gary Justice said. " I am so proud of these guys. The Panther baseball program has a strong tradition, and I know it will continue to be successful."

Justice was also the high school pitching coach from 1999-2006.

STLP Members Advance to State Competition

Three teams representing the elementary Student Technology Leadership Program (STLP) participated in the regional showcase held at the EXPO. As a result of their efforts, they advanced to state competition held at Rupp Arena on March 22.

Members were honored at a Board meeting for their hard work. Students include (in no particular order) Ben Belcher, Chandler Belcher, Logan Blackburn, Raven Branham, Micah Clevinger, Walker Hall, Amber Hamilton, Evan Kimberlain, Colin Noud, Brock Runyon, Macie Scott, Adam Swafford, Evan Swafford.

The group was sponsored by Neil Arnett and Robyn Mullins.

Walker Hall, Chandler Belcher, Evan Swafford, Colin Noud, Adam Swafford, and Amber Hamilton presented "Panthers Podcasting...All Over Pikeville!" They produced a weekly podcast of news, announcements, and event updates.

Working with Mr. Neil Arnett, team members Ben Belcher, Logan Blackburn, and Evan Kimberlain presented their "Safety First" school bus safety project.

They partnered with Mr. Bart Williams, transportation director, to create a new bus safety program to share with other students, including a new safety video they filmed.

Team members Raven Branham, Macie Scott, Micah Clevinger, and Brock Runyon presented their project "Growing Readers."

They worked with Mrs. Robyn Mullins to demonstrate the fluency in reading by recording texts for the primary students to read along with.

Sharing a Love for Writing

It is true that writing is simply thinking on paper. Writing expresses your emotions and thoughts in ways speech simply cannot achieve. Fourth, fifth, and sixth graders joined together to flourish as young writers in a club called Literary Guild.

Students prepared different types of compositions, and those pieces were discussed between the group. The main focus of the group was to provide young students a comfortable, constructive atmosphere for young authors. Finally, during Spring the students presented their work for all to see at the Spring Showcase.

The Literary Guild, sponsored by Amy Johnson, also participated in several community service projects.

"Music is a world within itself, with a language we all understand." - Stevie Wonder

One of the main goals instructor Barbara Kelley had for the elementary band was to provide a solid base of musical skills and techniques, while providing an opportunity for students to have fun making music with others.

The group performed a Spring concert for the school and was invited to several community events.

A Christmas Carol - A Special Production

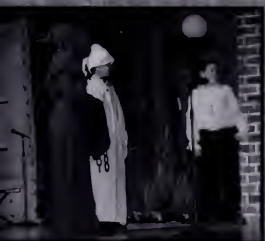

The sixth graders showcased their acting talents during the performance of Charles Dickens' *A Christmas Carol*. The setting took place during present day in a school drama department. The storyline was the same as the original with the exception of a surprise visitor from the past.

Charles Dickens interrupts the children at the beginning of the performance and assists them in narrating their school play. The elementary chorus, composed of 4th - 6th graders, provided the Christmas carols that were embedded throughout the play. The talented group totaled approximately 104 students.

Main acting roles included Blake Hager as Scrooge, Mason Hess as Bob Cratchitt, Star Manning as Mrs. Cratchitt, Evan Swafford as Tiny Tim, Kenzi Hale as Ghost of Jacob Marley, Josh Owens as Ghost of Christmas Past, Macie Scott as Ghost of Christmas Present, and Colton Cross as Ghost of Christmas Future.

The play was directed by Jennifer Cross, Paula Martin, and Barbara Kelley.

Making Beautiful Music

Under the direction of Barbara Kelley, members of the elementary chorus were quite busy during the year entertaining various groups.

Several events where they performed included a Board meeting, Veteran's Day Program, UPike games, the elementary school's production of *A Christmas Carol*, and a Spring concert.

Students advancing to All State Chorus included Star Manning, Britney Hopkins, Lindsey Lockhart, and Maura McCoy.

Coal Appreciation Week

In order to show their appreciation to the coal industry and its workers and to allow students an opportunity to learn more about the industry in the area, Pikeville Elementary organized a Coal Appreciation Week January 31 - February 3. Week-long events were a kick-off to participation in the Coal Fair Project.

Students toured surface mines, reclamation sites, and post-mined land use sites and were made aware of the benefits the coal industry provides in our daily lives.

Teachers partnered with John Justice from CEDAR, Inc. to organize the events.
