Several businesses were very community-oriented and involved in local efforts. They were more than happy to work around students' class schedules.

# Creating Excitement

Whatever the assignment is, students, for the most part, are committed to doing their best. The rigorous curriculum at PHS requires that everyone be actively engaged, whether it be a writing assignment, a class discussion, or an experiment in a science lab. In the end, students make what they learn a part of themselves.

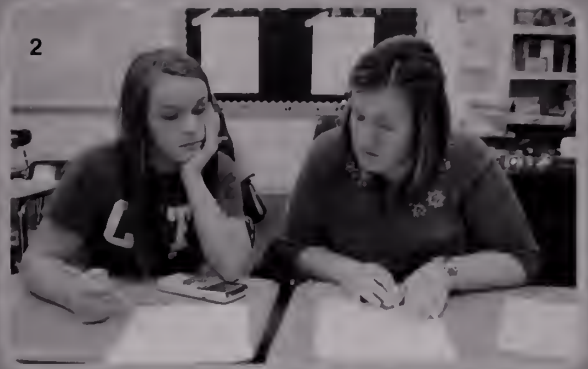

(1) Ms. Cooley's AP Government and Political Science classes visited the Capitol in Frankfort in March. They enjoyed a scavenger hunt competition and sat in on a Senate session. (2) Dr. Bersaglia leads jr. high band members Sarah, Nicole, Callie, Charlie, and Bethany in warm up exercises. (3) How does your garden grow? Dalton Stanley and Mac Hall, students in AP Environmental Science class, tend to the vegetables they are growing in the new green house behind the school. The class was awarded a grant from the Southeast Ky. Chamber of Commerce that allowed them to purchase a greenhouse and begin a community garden.

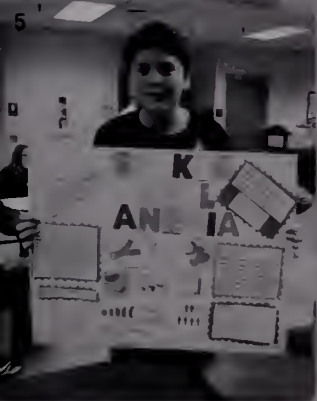

(4) In health class Micah Clevinger, Abby Napier, and Leah Vanderbeck learn the health advantages of jumping rope. (5) Loretia Ratliff, Katie Downey, and Deelaney Hackney performed the Hawaiian Hula dance as part of their culminating assignment in Fine Arts, *Dance Around the World*. (6) Taking first runner up for the second year in a row and winner at the 7th grade level in the Pike County Spelling Bee was Ewa Sulicz. (7) The dreaded research paper! With 100 note cards before her, Baylie VanHoose works on her rough draft. (8) Fourteen students in grades 9 - 12 participated in *Poetry Out Loud* on Feb. 6. Students were required to memorize two poems to recite and were judged on articulation, appropriateness, the poem's level of difficulty, and evidence of understanding. The winner, Miranda Webb, won a \$50 gift card and a chance to compete at State competition on March.

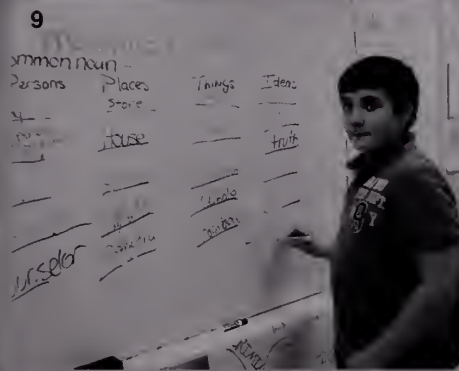

(1) Advanced Art students Jaymie Collins, Kanasha Compton, Amanda Keene, and Brittany May watch as Mrs. Smith rolls the ink over their carved out images in linoleum. This ancient print making technique allowed students to create their own designs. (2) Simplify the following expression:  $(2x + 5y) - (3x - 2y)$ . Mrs. Mullins works with Triniti Runyon as they solve the Algebraic equation. (3,4) The November Presidential election gave students an opportunity to voice their opinions on the platforms supported by President Barack Obama (Carew Bartley) and Governor Mitt Romney (Mac Hall).

(5) Sickle Cell Anemia is an inherited disease in which a person does not have enough healthy red blood cells to carry oxygen throughout the body. Josh Owens reported on the symptoms and treatment options as part of his science project.

(6) Hunter Hoffington, Mrs. Lucas, Weston Rogers, and Austin Kidd make pre-calculus fun by learning how to graph equations while playing a game. (7) Will Kendrick, Brooklyn Bunch, Dakota Ratliff, Brandon Blankenship, Katie Downey, and Mikayla Cole get in the Christmas spirit by selling candy canes. (8) A psychology class assignment required students to create a Me Bag that expressed their personalities. Destiny Durham and Erick "Fridge" Mullins wear and play some of the items in their bags. (9) Working on the parts of speech in 7th grade English, Nate Mattingly composes a sentence using proper nouns.

# Our closest family members...

Is that...a hedgehog? You better believe it! Whether they're cute chinchillas or good golden retrievers, there is no doubt that our furry--or scaly, or prickly, or feathery--friends are some of our best! There's nothing like coming home to a beloved pet after a tough day in the classroom. Here, you'll find the students of PHS enjoying life with their animal families!

(1) "Smile, Derek!" says **Kristen Smith** as she cuddles with her hedgehog. (2) Sisters **Jasmine Wilson** and **Alexia Wilkerson** pose with handsome hermit crab brothers, Herman and Winston. (3) **Destiney Ratliff** can't help but smile as she holds precious puppies to her heart. (4) As he hugs Jett, a black lab, **Clay Maynard** would agree that a dog is a boy's best friend. (5) **Aileah Bartley** welcomes a new member to her family, Roscoe the rabbit! (6) **Marissa Smallwood** hugs Sassy, the frisky feline that lives up to her name! (7) What better way to spend a pretty day than with a friend that neighs? **Keely Layne** enjoys her time with Winnie. (2) **Rachel Potter** and **Cody Estep** spend some quality time hanging with Buddy, a boxer. (3) Smile for the camera, Rosie Belle! **Fallon Smith** poses with her picture-perfect puppy. (4) Chilling with Peppy, a Chinchilla, **Savannah Pratt** smiles happily. (5) **Rachel Hazelett** enjoys an autumn evening with her equine companion, Winchester. (6) Enjoying a cool fall evening, **Stacie Gooch** hugs Henry, a rabbit. (7) **Luke Chaney** poses with his pretty pet, a pocket parakeet. (8) **Kasey Trimble** shows off her tiny turtle, Mossy. (9) **Cassidy Coleman** cuddles with two canine cuties, Jocie and Scruffy. (10) Being a true gentleman, **Brian Green** escorts Diana, a preying mantis, like the princess she is. (11) "Say cheese!" **Katie Downey** and her family celebrate "puppy's first Christmas" with Marley. (12) Okay, so maybe **Austin Kidd's** pal, Sargent Pork Chop, isn't a live pig, but a guy can dream, can't he?

...don't always have two feet!

# Academic Team 2K12

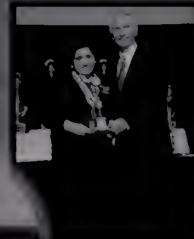

There is another group of State Champions in the house! After taking the gold in Quick Recall at the regional level, the PHS Academic Panthers claimed the state title in the Governor's Cup Quick Recall Tournament.

The team worked hard throughout the year, earning a championship at a tournament hosted at Western Kentucky University, as well as 8th and 9th place finishes in the Ezell-Harding Invitational and the Hilltopper Quiz Bowl, respectively.

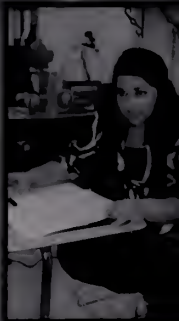

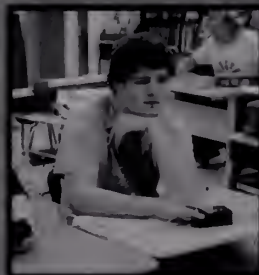

Sophomore Ammad Mansoor was selected to compete in the HSAPQ National All-Star Academic tournament, and the team earned a chance to compete in the PACE National Championship in June.

# Members Win Top Honors at State

More than 1,800 of Kentucky's best and brightest youth traveled to Louisville to compete in the state FBLA competition on April 8-10. PHS members participated in more than 55 business and business-related competitive events.

PHS received two first place wins, three second place wins, one third place win, two fourth place wins, and four fifth place wins. Those who placed in the top three in their competitive events will travel to Anaheim, California, to compete at FBLA Nationals June 27-30.

The road to State began in March at Regional competition at Morehead State University. Pikeville finished with 14 first place wins, seven second place wins, and eight third place wins.

# Learning to Be the Light

"See you at the pole!" Every Thursday morning, PHS students of all ages gather as part of the Fellowship of Christian Athletes, a national organization, for a time of worship, prayer, and Bible study. It doesn't stop there!

The group enjoyed the annual Fields of Faith event in the fall, with special guest Elisha Justice, and the July Jam Christian rock concert in the spring, featuring Remedy Drive, Digital Age, and The City Harmonic. No matter where you find them, these students love to have fun and serve together as they pursue the FCA mission: "to equip, empower, and encourage others to make a real impact for Christ."

# The Opportunity to Shape Lives

With the primary goal to provide current and useful information that will help those interested in careers in elementary and secondary education, the Education in Kentucky class prepares students to become successful educators.

They develop an understanding of the philosophical and historical roots of education, current educational structures and practices, and projections for the future.

Activities students are involved in during the year include researching and discussing topics related to the main philosophies in education, school law, and school curriculum. They also design lesson and unit plans, create bulletin boards, and teach mini lessons.

The class worked closely with the preschool program and treated them to *Talk Like a Pirate Day* and *Safe Trick or Treat*. Students also partnered with Lowe's on American Enterprise Day where they helped preschoolers build boats.

Students enrolled in Education in Kentucky include (kneeling) Iman Ali, Austin Burke, Frankie Dawahare, Alex Davis, Turner Altman, Kaitlyn Good, Anna Sisco, Madison Tackett, (back) Carew Bartley, Adam Taylor, Grant Moore, Ethan Rowe, Fallon Smith, Mollie Blackburn, Kristen Kendrick, Elizabeth Huffman, Blake Smith, Rachel Hazelett, Jared Auton, Devin Clevinger, Laryn Hamilton, and Darla Johnson

# Scholarship, Leadership, Service, and Character

National Honor Society was established to recognize outstanding high school students. More than just an honor roll, NHS serves to honor those who have demonstrated excellence in the areas of scholarship, leadership, service, and character.

Open to juniors and seniors, members are required to complete 15 hours of community service each year and maintain a 3.5 GPA.

Special projects the group focused on were Pennies for Patients and two blood drives. NHS is sponsored by Tom Asbury.

# We'll Put Some Pep in Your Step

Promoting school spirit is their main goal! Whether it be through pep rally skits, spirit posters, or locker decorations, the Pep Club works non-stop to encourage students to get involved.

They begin the year preparing for the Pike County Bowl game. Girls paint t-shirts, spelling out a game theme. However, their biggest event is Homecoming...themed days during the week, the parade through downtown Pikeville, and the dance, culminating a fun-filled week.

They also organize parent nights for football and basketball, as well as Varsity Court.

On Earth Day PHS was also named one of five 2013 Green and Healthy Schools by First Lady Jane Beshear, the Ky. Energy and Environment Cabinet, and the Ky. Environmental Education.

The school's **PRIDE** greenhouse earned Ky. Proud Certification from the Ky. Dept. of Agriculture.

# Providing Leadership and Service

Student Council, an organization conducted by student leaders and supervised by Susan Huffman, is open to students in grades 9 - 12 through an application process.

The purpose of the council is to provide leadership and to serve the student body, the school and the community.

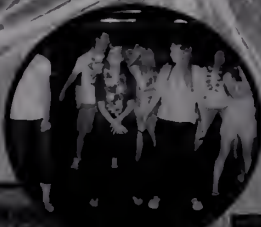

Projects the group participated in during the year include pre-registration, Coats for Kids, Paint Pikeville Pink, serving ice cream sundaes the first day of school, sponsoring a back-to-school dance, attending Site-Base and school Board meetings, decorating the school Christmas tree, honoring the cafeteria staff on Luncheon Appreciation Day and teachers during Teacher Appreciation Week, partnering with UPS in the Toys for Joy Drive for the Kentucky Children's Hospital, and donating items to the WestCare Homeless Shelter.

The 2012 powderpuff match-up on Thursday, Sept. 20 was a game no one wanted to miss! The seniors were out for blood after a 0 - 0 tie at last year's game.

Despite several flags called by the refs and reported scratching and biting, the seniors took the win 22-0. Senior Aileah Bartley scored all touchdowns for her team. Her and junior Rachel Potter were named MVPs.

# "You're a Good Man, Charlie Brown"

The favorite musical comedy based on characters created by cartoonist Charles M. Schulz in his comic strip *Peanuts* was brought to the stage at PHS on March 14 - 15.

As the play begins, Charlie Brown stands alone as his friends give him their various opinions of him. Today everyone is calling him a "good man." Charlie Brown is happy and hopeful as usual, but he nevertheless wonders if he really is what they say. He decides to find out how he can really be a good person.

# A Record Breaking Year

The Lady Panther volleyball team had nothing short of an extraordinary season. With a record of 29-10, the girls reached new heights and broke countless records. They now hold the record for most wins in a season, longest winning streak with nine wins, and were ranked 53rd in the state of Kentucky.

The girls were champions of the Fillies Fall Fling Tournament and runners-up in the Champions of the Mountains Tournament.

After capturing the runner-up title in the 59th District Tournament, they reached the semi-finals of the 15th Regional Tournament. Junior Blair Pack recorded her 500th career kill, racking up 476 this season. Blair also achieved a whopping 99 aces. She was a member of the Champions of the Mountains Classic All-Tournament Team and the 59th District All-Tournament Team.

Sophomore Taunee Justice achieved her 1000th career assist, a remarkable feat! In the 2012 season alone, she earned 721 assists. Taunee was a member of the Champions of the Mountains All-Tournament Team, the 59th District All-Tournament Team, and the 15th Region All-Tournament Team.

Faith Runyon also excelled as she was a member of both the 59th District All-Tournament Team and the 15th Region All-Tournament Team.

Juana Childers' hard work was not ignored. She was named to the All-Tournament Teams for both the Champions of the Mountains Classic and the 59th District Tournament.

The 2012 season for the young Panthers was a rebuilding one, but it was filled with hard work, good times, and the gaining of experience! The boys competed in several matches, as well as the Pikeville Invitational, All "A" Regional, and KHSAA Regional tournaments.

Noah Combs represented the team well and took several titles individually, winning the Region 11 Golf Championship and advancing to the KHSAA State Tournament where he finished 25th overall! He also qualified for the All "A" State Tournament with his low score at Paintsville Country Club and earned the runner-up title in the Pikeville Invitational tournament. He is currently the 5th ranked junior golfer in the state!

# Lady Panther Golf

2012

With a new coach, Vicki McClurg, and four junior high golfers, the Lady Panthers may not have had the most experience all-around. However, that didn't hold them back. The self-proclaimed "Maroon 5" snatched the All "A" Regional Championship title, qualifying for the State Tournament in Springfield, Kentucky. The lone junior, Stacie Gooch, took the bronze individually in the 10th Region tournament and traveled to Bowling Green Country Club to compete in the KHSAA Golf State Championship.

Hitting greens and taking names... 

Very few teams saw the turn around this season that Pikeville saw.

A Panther team full of youth started 1-5. But they finished winners of six of their last seven games advancing to the region finals. In that stretch, Pikeville defeated Raceland, a team that defeated the Panthers 54-14 earlier in the season.

They may have been young, but the Panthers grew up a lot by the end of the season. "Dig Deep," the team motto, motivated the men in maroon to make a commitment to winning under those Friday night lights.

They began the season with a big win against the Powell County Pirates, 53-12, in the Pike County Bowl. The Panthers jumped out to an 18-0 first quarter lead and never looked back.

In District play they were undefeated, claiming the District Championship crown.

After defeating Paintsville 63-24 and Raceland 26-20 in overtime, the Panthers met up with the undefeated Fairview Eagles in the Class 1A, Region 4 championship game on Nov. 16. Their season ended with a 36-14 loss, however, a 7-6 season finish was something to be proud of.

## Pikeville Varsity Cheer

The Pikeville Varsity Cheerleaders had nothing less than an amazing year. Beginning the season at UCA Cheer Camp, they took first place in the cheer division.

At their first competition, they came home with not only first place but also grand champions! Their success continued ....2nd place at the UCA Smokey Mountain Classic in Gatlinburg, TN; 1st place at KHSAA Region, and 2nd place at KHSAA State. The squad came out with a huge win in the small varsity division at UCA Nationals in Orlando, Fl, placing 3rd in the nation! To finish up the year, the girls were named District Champs.

Competitions were not the only place these ladies showed off their skills and routine; they also performed at Dunbar, Middle School Region, and the Mountain Classic Cheerleading Competition.

This extremely impressive and talented group of young ladies were coached by head coach, Jeannie Stone, and assistant coach, Raquel Goodman.

# A SEASON TO REMEMBER

It was a history making season for the Panthers! The journey began with a trip to the All 'A' State Tournament for the first time in 20 years.

Senior Ethan Rowe broke the school record for most free throws in a game with 18 against Shelby Valley on January 11th. He also became the sixth all time leading scorer in PHS history with 1,767 points. Ray Kasongo also broke the school record for most blocked shots in a season with 145.

Pikeville finished the season with a 22-11 record. The Panthers won their third consecutive 59th District Title and advanced to the semi-finals of the Regional Tournament.

Coach Bart Williams became the first coach since the late 1950s to have three 20 win seasons in a row.

Ethan Rowe was named KABC 15th Region Player of the Year and Coach Bart Williams was named KABC 15th Region Coach of the Year.

# We'll Make You Wish..

Headed by an entirely new coaching staff, the 2012-2013 season ushered in a new era for the Lady Panther basketball program.

In October, the girls rocketed off to a 9-1 start. They kept the streak of success going as they claimed a hard-fought record of 2-1 at the EQT Energy Classic in Pittsburgh, Pennsylvania where senior Amber Sexton was selected to the all-tournament team and junior Rachel Potter was named MVP.

The team then traveled to Daytona Beach, Florida for the Father Lopez Holiday Classic, competing against top-ranked Florida teams and receiving the third place trophy.

Throughout the season, the Lady Panthers were ranked in the Top 10 of the Best in the Mountains. They finished the regular season with a strong 15-9 record.

At region, they placed first in jazz routine, pom routine, and open. Placing third in pom and first in jazz at State was a huge accomplishment for this extraordinary group of dancers!

## Fast-Pitch Varsity Softball

Pikeville made a run to tie the game in the bottom of the fourth against Magoffin County in the 15th Region semifinals.

Emily Hughes drew a walk and Camryn Slone followed with a single. Savanna Nunnemaker also singled to load the bases. After a fielder's choice out a home, Stacie Gooch hit a two RBI single to tie the game at 4-4. After that it was all Magoffin County who picked up a 10-4 win.

Pikeville finished the season on a tear. The Lady Panthers entered the 59th District Tournament with the No. 3 seed and fought its way to a district title and advanced to the 15th Region semifinals. The girls finished the season with 17-15 record.

# Panthers 59th District Champs

Pikeville picked up a 9-1 win against Shelby Valley to finish regular season 59th District play undefeated. The Panthers had already locked up the No. 1 seed heading into the district tournament and a spot in the 15th Region Tournament.

They met the Wildcats again in the championship game of the district tournament, and Jacob Hamilton tossed a one-hitter as the Panthers rolled to an 11-0 victory - another 59th District Championship.

Pikeville headed into 15th Region Tournament play as the defending champions. They scored a pair of unearned runs in the bottom of the sixth inning to rally for a 4-3 win over Sheldon Clark; the Panthers had beaten the Cardinals in both regular-season meetings.

In the semi-final round, Pikeville took on the Belfry Pirates. They had control of the game entering the bottom of the sixth inning with a 5-2 lead. However, a 15 minute sun delay seemed to turn that deficit into a 6-5 win for the Pirates.

The Panthers finished the season with a 17-18 record and won the 59th District championship.

After losing eight seniors from the previous season, first year coach Phil Heffington knew he was looking at a rebuilding year. However, both teams finished well, the boys 6-7 and the girls 7-4.

The boys' team celebrated as region runner-up. LJ Allara earned boys' singles region runner-up honors and Patrick Cordero was a regional tournament semi-finalist. Cailee Marcum was the girls' singles region runner-up, the first girl from PHS to make it to the finals in region as a sophomore. All three players advanced to the state tournament.

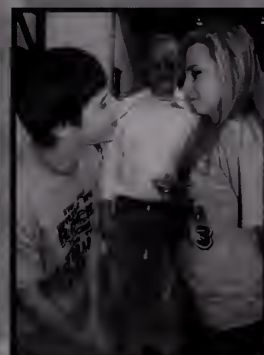

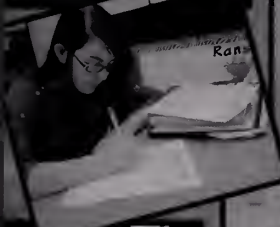

LJ became only the third player from Pikeville to advance to the second round of the State tennis tournament (Brennan Alderman in 2011 and Shikha Sachdeva in 2010).

One of the most interesting aspects of the season was that senior Ethan Rowe came out to play for the very first time. During regular season he never lost a match and ended the season at 6-0 in singles.

## Students Design Virtual City

Future City Team - Ryan Crum, Haley Williamson, Cameron Lane, Will Williamson, Kyle Martin, Phoebe Thornbury

ACES (A Challenge for Exceptional Students) is comprised of students in the gifted and talented program. Six eighth-graders worked on the Future City Project, a cross curricular educational program where they imagined, designed, and built a city of the future.

For over four months, students worked as a team with an educator and volunteer mentor to design a virtual city using SimCity software. They researched and wrote a 1,000-word essay addressing the theme - Rethink Runoff - Design Clean Solutions to Manage Storm Water Pollution; built a model of their city using recycled materials; wrote a 500-word narrative promoting their city; and presented their city before a panel of judges at regional competition.

They competed at the University of Kentucky College of Engineering and won Best Overall Writing, Best Model Design, and First Place. The group went on to represent Kentucky at National competition in Washington, D.C. in February.

Filling the record books with a season of 6-5, the Junior High Panthers never came up short in hard work! With a strong finish, these boys, coached by Nick King, claimed the title of runner-up in the 2012 County Championship.

The boys took on teams from surrounding schools including Belfry, Central Middle, East Ridge, Matewan, and Shelby Valley.

# Team Finishes With an Impressive 16-8 Record

The season began winning the Pike County preseason Tournament at Shelby Valley. Then the girls hosted the Pink Panther Tournament to support the Kay Yow Cancer Fund and raised close to \$2000! The Lady Panthers emerged runners-up.

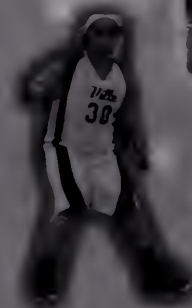

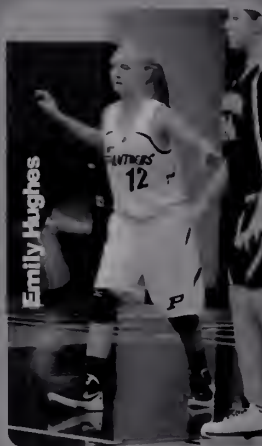

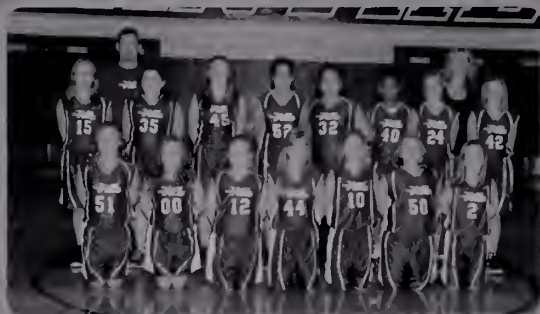

In County Tournament action, the girls finished third. Savanna Nunemaker and Emily Hughes were named to the All-Tournament Team. Kassidy Caudill and Savanna were named to the All-County Team.

"I will sadly miss my group of 8th graders. They started back in 5th grade with limited skills and fundamentals and grew into hardworking, talented individuals. It was a blessing to be their coach," Misty Prater said.

# Panthers Finish Second in the State

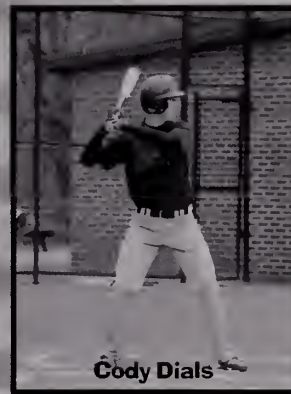

The junior high baseball team didn't quite reach their goal of winning a state championship, but a runner-up finish wasn't bad.

The Panthers finished the season with a 32-2 record.

In the opening round of the state Final Four, the men in maroon fell to Oldham County 5-3. Then they bounced back to pick up a 9-4 win over Muhlenburg County before avenging the loss against Oldham County for a 6-0 win. The Panthers fell to Somerset 8-2 in the championship game. Somerset was the same team Pikeville had defeated in the semi-state title game.

The Panthers recorded an amazing record of 56-6 over the past two seasons. They finished as state runner-up both years. (*Appalachian News-Express, June 1-2 2013*)

"Having a lot of eighth graders on the team was big for us," Coach Gary Justice said. "We had a lot of

experience and have been in a lot of pressure situations. The future is bright for Pikeville High School. State tournaments are where greatness happens and these guys were great."

# Teeing Up For Success!

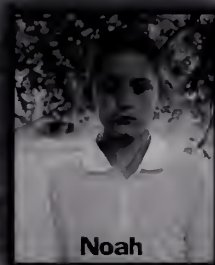

## Jr. Varsity Team

Golf enthusiasts consider the game to be addictive. Members of the jr. varsity team spent countless hours at Green Meadow County Club working on grip, stance, and swing fundamentals, as well as chipping and putting.

They came out on top against the teams from their region and even won a match against the Belfry High School varsity team.

# We Set, We Spike..We Win!

The jr. high volleyball team had an impressive season from beginning to end!

The A Team finished number one in the North Division and number four in Pike County. The B Team, with nearly all having never played before, finished the season with a 9-5 record. The C Team, number one in the North Division and number one in Pike County, finished 12-0.

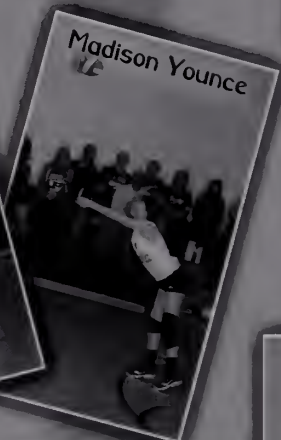

"This was our first year with fifth graders, and we only returned seven players out of 22 that had ever played before," Coach Cecil said. "The program has a very promising future."

# Be Like a King and ROAR!

## Pikeville Jr. High Cheerleaders

This extremely young group of cheerleaders, ranging from 5th-8th grades, proved that even though you're small, you can still make a loud roar!

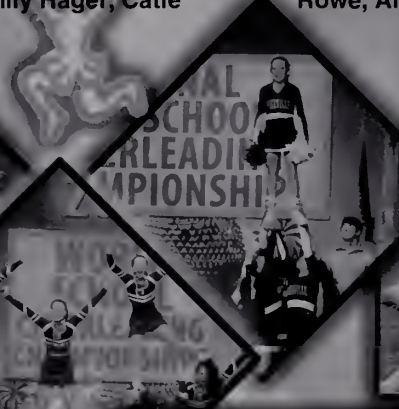

At UCA Cheer Camp they placed first in cheer and extreme routine and captured the overall camp leadership award. Placing first at KAPOS 15th Region, second at UCA Bluegrass Region, and first in the UCA Smokey Mountain Cheer Competition was a great start for these ladies.

They also placed first in the Junior High Pike County Tournament, 10th runner-up at UCA Nationals, and third runner-up in UCA World Cheerleading Competiton.

The squad was led by head coach, Kandice Branham, and assistant coach, Sarah Casson.

It was something to celebrate! Preschool graduation was held on Monday, May 20, with teacher Joy Loader and assistant Flo Adams introducing 17 students who shared what they had learned during the year.

Two song/dance selections, "Gangnam Style" and "Wherever I Go," featured students in the high school teaching class, along with the graduating preschoolers.

Preschool (in no particular order) Brayden Branham, Hunter Chaney, Colton Cochran, Kylee Compton, Landon Daniels, Parker Dotson, Brayden Hall, Abigail Johns, Masten Kidd, Jacob Lucas, Joe Malone, Henry McNamee, Colby Spencer, Joseph D. Stone, Kylie Taylor, Kaden Thomas, Sophia Woods

# Young Authors Create Masterpieces

The mission of the Literary Guild is to provide students in grades 4 - 6 interested in writing with a non-threatening environment that will allow them to flourish as authors.

They help each other improve their writings (poetry, fiction, creative nonfiction, and scripts) beyond the limitations of the classroom. These students are volunteers; anyone who loves writing is encouraged to participate as much as they want.

During their meetings, students usually read works aloud and then discuss them. Generally, the group reads their own writings, but they also share works they admire by other authors.

The Literary Guild is sponsored by Amy Johnson.

## STLP and Gifted and Talented Groups Make a Difference

STLP (front) Ross Damron, Gage Ritchie, McKenzie Hamilton, Ben Belcher, (back) Logan Blackburn, Alyssa Elswick, Christian Billiter, Chandler Belcher (not pictured - sponsors Neil Arnett and Robyn Mullins)

Gifted and Talented students, with guidance from Leslie Workman of the Pike County Extension Office and other community volunteers, introduced students to the art of basket weaving.

Members competed in Regional competition at the EXPO in November. Their project was entitled PANTHERCIZE.GET.FIT, a video concerning school-wide wellness.

A trip back to a frontier town in the old west provided excitement for the kindergarten classes on Wednesday, May 15.

Students saddled up and lassoed in the audience as they introduced the no-good outlaws, saloon girls, townsfolk, children, two stroke Indians, and the cowpoke dancers.

# Ensteins in the Making!

The Elementary Academic Team caught the eye of the community this season as they made their mark in both the District and Regional Governor's Cups. With support from head coach, Kim Fields, this group proved that Pikeville's winning tradition begins early.

By placing first in nearly every category, including Math, Science Social Studies, Arts & Humanities, Language Arts, Quick Recall, and Future Problem Solving at both District and Regional competitions, these dedicated students proved they were committed to excellence.

# Promoting Healthy Living

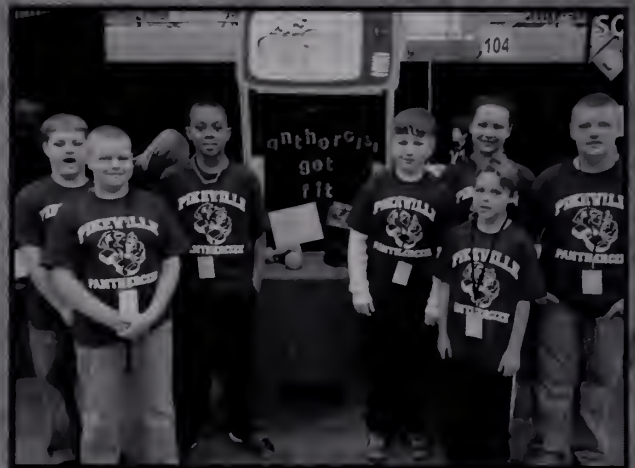

Hundreds of students from across the region invaded the East Kentucky Expo Center for the regional STLP (science, technology, leadership project) Showcase.

PES's project, PANTHERCIZE.GET.FIT., was a video concerning school-wide wellness.

STLP is a project-based learning program that empowers students in all grade levels to use technology to learn and achieve.

The student-designed projects, products and services are created to help the school and community.

The group is sponsored by Neil Arnett and Robyn Mullins.

## Two Advance to All State Chorus

Fifty-two choral students spent the year singing, listening to music, improvising and composing, and moving to music.

Under the direction of Barbara Kelley, the group performed for the first time to the public on Friday, October 12 by singing "The Star Spangled Banner" before the Panthers home game against the Phelps Hornets.

They continued to showcase their talents with a Christmas concert and a spring concert "Dateline Rock and Roll."

Sixth graders Britney Hopkins and Maura McCoy performed in the Kentucky Music Educators Association concert on Friday, Feb. 8 in Louisville. They were chosen from competitive auditions held across the state, then attended regional rehearsals to prepare for the concert.
